**The Threshold of Democracy** 2021 decree making is a defining aspect of ancient greek political activity it was the means by which city state communities went about deciding to get things done this two volume work provides a new view of the decree as an institution within the framework of fourth century athenian democratic political activity volume 1 consists of a comprehensive account of the literary evidence for decrees of the fourth century athenian assembly volume 2 analyses how decrees and decree making by offering both an authoritative source for the narrative of the history of the athenian demos and a legitimate route for political self promotion came to play an important role in shaping athenian democratic politics peter liddel assesses ideas about and the reality of the dissemination of knowledge of decrees among both athenians and non athenians and explains how they became significant to the wider image and legacy of the athenians

**The Threshold of Democracy** 2004 decree making is a defining aspect of ancient greek political activity it was the means by which city state communities went about deciding to get things done this two volume work provides a new view of the decree as an institution within the framework of fourth century athenian democratic political activity volume 1 consists of a comprehensive account of the literary evidence

for decrees of the fourth century athenian assembly volume 2 analyses how decrees and decree making by offering both an authoritative source for the narrative of the history of the athenian demos and a legitimate route for political self promotion came to play an important role in shaping athenian democratic politics peter liddel assesses ideas about and the reality of the dissemination of knowledge of decrees among both athenians and non athenians and explains how they became significant to the wider image and legacy of the athenians *Decrees of Fourth-Century Athens (403/2-322/1 BC): Volume 1, The Literary Evidence* 2020-03-05 historians are used to studying the origins of war the rebuilding in the aftermath of war is a subject that at least in the case of athens has received far less attention along with the problems of reconstructing the economy and replenishing the population the problem of renegotiating political consensus was equally acute athens after the peloponnesian war first published in 1986 undertakes a radically new investigation into the nature of athenian political groups the general model of faction provided by political anthropology provides an indispensable paradigm for the athenian case more widely professor strauss argues for the importance of the economic social and ideological changes resulting from the

peloponnesian war in the development of political nexus athens after the peloponnesian war offers a detailed demographic analysis astute insight into political discourse and is altogether one of the most thorough treatments of this important period in the athenian democracy

**Decrees of Fourth-Century Athens (403/2-322/1 BC): Volume 2, Political and Cultural Perspectives** 2020-03-05

grote s history of greece is one of the classic works of historical interpretation and scholarship george grote banker mp and a founder of london university was the first historian to give a high value to the greek creation of democracy and this aspect of his work is closely relevant to current debates about democracy in our times this abridgement of the original twelve volume work which was made in the early years of the century and published by george routledge and sons is now available again and makes accessible the essential grote in a new and original introduction based on the latest research into grote and into greek history paul cartledge places grote s history in its intellectual context discusses its salient features and traces its subsequent reception over the past century and a half

decree making is a defining aspect of ancient greek political activity

it was the means by which city state communities went about deciding to get things done this two volume work provides a new view of the decree as an institution within the framework of fourth century athenian democratic political activity volume 1 consists of a comprehensive account of the literary evidence for decrees of the fourth century athenian assembly volume 2 analyses how decrees and decree making by offering both an authoritative source for the narrative of the history of the athenian demos and a legitimate route for political self promotion came to play an important role in shaping athenian democratic politics peter liddel assesses ideas about and the reality of the dissemination of knowledge of decrees among both athenians and non athenians and explains how they became significant to the wider image and legacy of the athenians

*A History of Greece* 2013-05-13 decree making is a defining aspect of ancient greek political activity it was the means by which city state communities went about deciding to get things done this two volume work provides a new view of the decree as an institution within the framework of fourth century athenian democratic political activity volume 1 consists of a comprehensive account of the literary evidence for decrees of the fourth century athenian assembly volume 2 analyses

how decrees and decree making by offering both an authoritative source for the narrative of the history of the athenian demos and a legitimate route for political self promotion came to play an important role in shaping athenian democratic politics peter liddel assesses ideas about and the reality of the dissemination of knowledge of decrees among both athenians and non athenians and explains how they became significant to the wider image and legacy of the athenians

**Decrees of Fourth-Century Athens (403/2-322/1 BC): Volume 1, The Literary Evidence** 2019-08-31 decree making is a defining aspect of ancient greek political activity it was the means by which city state communities went about deciding to get things done this two volume work provides a new view of the decree as an institution within the framework of fourth century athenian democratic political activity volume 1 consists of a comprehensive account of the literary evidence for decrees of the fourth century athenian assembly volume 2 analyses how decrees and decree making by offering both an authoritative source for the narrative of the history of the athenian demos and a legitimate route for political self promotion came to play an important role in shaping athenian democratic politics peter liddel assesses ideas about and the reality of the dissemination of knowledge

of decrees among both athenians and non athenians and explains how they became significant to the wider image and legacy of the athenians *Decrees of Fourth-Century Athens (403/2-322/1 BC): Volume 1, The Literary Evidence* 2020-03-05 the analysis of a greek political phenomenon within the confines of the so called colonial city states of sicily and southern italy is the theme of the present book on the basis of detailed case studies covering the revolutions in cities like croton cumae acragas and syracuse the following subjects are dealt with social stratification and political institutions the massive presence of foreigners and non greeks within the borders of the polis the role of mercenaries in the local armies and in city life an apart chapter is dedicated to the technique of the coup d tat showing how it was determined by the peculiarities of the greek city state

**Political Forgiveness in Old Athens** 1946 this volume focuses on the representation of the recent past in classical athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the athenians to make an objective assessment of it and the unwillingness of the citizens to hear the truth make self criticism and take responsibility for bad results twenty eight scholars have written chapters to this end dealing with a

wide range of themes in terms both of contents and of chronology from the fifth to the fourth century b c each contributor has written a chapter that analyzes one or more historical events mentioned or alluded in the corpus of the attic orators and covers the three species of attic oratory chapters that treat other issues collectively are also included the common feature of each contribution is an outline of the recent events that took place and influenced the citizens and or the city of athens and its juxtaposition with their rhetorical treatment by the orators either by comparing the rhetorical texts with the historical sources and or by examining the rhetorical means through which the speakers model the recent past this book aims at advanced students and professional scholars this volume focuses on the representation of the recent past in classical athenian oratory and investigates the ability of the orators to interpret it according to their interests the inability of the athenians to make an objective assessment of persons and events of the recent past and their unwillingness to hear the truth make self criticism and take responsibility for bad results

*Decrees of Fourth-Century Athens (403/2-322/1 BC): Volume 2, Political and Cultural Perspectives* 2019-08-31 the story of the athenian golden

age by one of the world's pre eminent classical historians the golden age of ancient greek city state civilization lasted from 490 to 336 bc the period between the first wars against persia and carthage and the accession of alexander the great never has there been such a multiplication of talents and genius within so limited a period and michael grant captures this astonishing civilization at the height of its powers

**Athens After the Peloponnesian War** 1987 this helpful reference offers a timeline of ancient greece's political and military history this chronological history begins with the necessarily approximate course of events in bronze and early iron age as estimated by the most reliable scholarship and the legendary accounts of this period from the persian wars onwards a year by year chronology is constructed from the ancient historical sources and where possible a day by day narrative is given the geographical scope expands as the horizons of the greek world and colonization increased with reference to developments in politico military events in the middle eastern and later italian states that came into contact with greek culture from the expansion of the greek world across the region under alexander the development of all the relevant greek macedonian states is covered the

text is divided into events per geographical area for each date cross referencing where needed detailed accounts are provided for battles and political crises where the sources allow this and where not much is known for certain the different opinions of historians are referenced the result is a coherent accessible and accurate reference to what happened and when

*A History of Greece* 1900 list of members in each volume except v 5  
Revolution and Society in Greek Sicily and Southern Italy 1992 leo  
strauss and anglo american democracy critically interprets strauss s  
political philosophy from a conservative perspective most mainstream  
readers of strauss have either condemned him from the left as an  
extreme right wing opponent of liberal democracy or celebrated him  
from the right as a traditional defender of western civilization  
rejecting both portrayals grant havers shifts the debate beyond the  
conventional parameters stating that strauss was neither a man of the  
far right nor a conservative but in fact a secular cold war liberal in  
leo strauss and anglo american democracy havers contends that the most  
troubling implication of straussianism is that it provides an  
ideological rationale for the aggressive spread of democratic values  
on a global basis while ignoring the preconditions that make these

values possible concepts such as the rule of law constitutional government christian morality and the separation of church and state are not easily transplanted beyond the historic confines of anglo american civilization as recent wars to spread democracy have demonstrated

**From 403 to 323 B.C** 1968 in seiner schrift vom staat der athener hat aristoteles uns den vertrag uberliefert durch den nach dem ungluecklichen ausgang des peloponnesischen krieges und den ihn begleitenden inneren unruhen in athen die beiden parteiungen der burgerkriegswirren demokraten und oligarchen im jahre 403 zu einem friedlichen ausgleich zu kommen suchten der autor hat diesen wichtigen vertrag unter heranziehung auch anderer quellen insbesondere der attischen redner erstmals ausfuhrlich kommentiert nicht nur die politische geschichte vor allem auch die athenische rechtsgeschichte ist durch diesen kommentar aussergewoehnlich bereichert worden
