each volume of the dictionary of world biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history this is not a who s who instead each entry provides an in depth essay on the life and career of the individual concerned essays commence with a quick reference section that provides basic facts on the individual s life and achievements the extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history all entries conclude with a fully annotated bibliography

1991

military obligations rested lightly upon the filipino people for much of the period that america occupied the philippines but filipinos could enlist in the united states

army and navy attend the service academies at west point and annapolis or join military organizations restricted to duty in the islands such as the philippine scouts philippine constabulary philippine national guard and the navy s insular force in the 1930s the philippine government established its own armed forces throughout much of this time the u s army also kept a substantial portion of its troop strength in the philippines this annotated bibliography of nearly 700 titles highlights the extent and variety of the philippine american military experience from the conquest of the islands by the united states in 1902 to the defeat of philippine and american forces by the japanese in 1942 the bibliography includes memoirs and biographies of filipino and american officers and enlisted men from macarthur to ferdinand marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published annotations address controversies such as the widely disparate estimates of american deaths on the bataan death march and include previously unpublished information such as casualty figures for american and philippine forces in 1941 1942

Biennial Report of the Directors and Officers of the American Asylum, at Hartford, for the Education and Instruction of the Deaf and Dumb ...

1865

on december 8 1941 the day after the surprise attack on pearl harbor the japanese invaded the philippine islands catching american forces unprepared and forcing their eventual surrender among the american soldiers who managed to avoid capture was twenty five year old lieutenant robert lapham who was to play a major role in the resistance to the brutal japanese occupation after emerging from the jungles of bataan and in the face of daunting odds lapham built from scratch and commanded a devastating guerrilla force behind enemy lines his luzon guerrilla armed forces lgaf evolved into an army of thirteen thousand men that eventually controlled the entire northern half of luzon s great central plain an area of several thousand square miles this personal account of the luzon guerrilla operations is woven into the larger context of the war lapham and norling shed light on the clandestine activities of the lgaf and other guerrilla operations assess the damages of war to the filipino people and discuss the united states postwar treatment of the newly independent philippine nation they also offer a fuller understanding of japan s wartime failures in the philippines the pacific and elsewhere in asia and of america s postwar failure to fully realize opportunities there
