pdf interacting with information semantic scholar Jan 11 2023
this lecture discusses how people interact with information
in terms of an information journey in which people recognise
a need for information find information interpret and
evaluate that information in the context of their goals and
use the interpretation to support their broader activities
interacting with information ann blandford simon john Dec 10
2022 novel design solutions are unlikely to be purely digital
but to exploit the rich variety of information resources
digital physical and social that are available theories of
information interaction and sensemaking can highlight new
design possibilities that augment human capabilities
interacting with information ann blandford simon attfield Nov
09 2022 theories of information interaction and sensemaking
can highlight new design possibilities that augment human
capabilities we review relevant theories and findings for
understanding information behaviours and we review methods
for evaluating information working tools to both assess
existing tools and identify requirements for the future
