

Free pdf Hollywood party how communism seduced the american film industry in the 1930s and 1940s Full PDF

this pioneering analysis uses the results from the first ever irish election study to provide a comprehensive survey of the motives outlook and behaviour of voters in the republic of ireland building on the foundations laid down by previous work on comparative electoral behaviour it explores long term influences on vote choice such as party loyalties and enduring values as well as short term ones such as the economy the party leaders and the candidates themselves it also examines how people use their vote and why so many people do not vote at all many features of irish elections make such a detailed study particularly important the single transferable vote system allows voters an unusual degree of freedom to pick the candidates they prefer while electoral trends observed elsewhere can be found in a more extreme form in ireland for example attachment to parties is very low differences between them are often obscure candidate profiles are very high and turnout is falling rapidly however irish elections defy international trends in other respects most notably in the degree of personal contact parties and candidates make with their voters findings are presented in a manner that is highly accessible to anyone with an interest in elections electoral systems and electoral behaviour the book is essential reading for anyone interested in irish politics and is an important text for students of european politics parties and elections comparative politics and political sociology this collection of biographical essays brings to life a diverse and colourful cavalcade of british revolutionaries from the first part of the twentieth century the cast includes pioneering women communists doughty trade union leaders and ruthless apparatchiks together with lawyers poets critics and the odd sexual outlaw this norton critical edition offers a complete historical and philosophical introduction to marx s manifesto of the communist party scholarly analysis of the development of the first communist party in asia now one of the largest in the world by a brandeis university professor reproduction of the original manifesto of the communist party by karl marx this book provides an historical overview of the japanese communist party from its foundation to the present it outlines the development of the party explores its stance on key issues and discusses how the party has set a high moral tone avoiding compromising coalitions with other parties being intolerant of corruption within its own ranks and frequently and consistently opposing the ruling liberal democratic party the book also considers the internal nature of the party which continues to have a mass membership and which in recent years has softened its former somewhat rigid approach the book emphasizes the importance for japan of this moral approach as the conscience of the nation especially as the present abe government moves japan to the right even though the japanese communist party has never gained power and is never likely to the communist international was formed in moscow in 1919 as a factory of world revolution but was dissolved in 1943 without having led a single successful working class uprising this book offers a reappraisal of the body first published in 1981 the communist parties of italy france and spain presents a comparative and integrative overview of the development of three communist parties in the postwar europe through the systematic presentation of the most important documents of the communist parties the book provides an access to the basic declarations and positions to illustrate the strategic and ideological evolution of these three parties in the advanced industrial democracies eurocommunism the editors argue cannot be usefully understood as a phenomenon which suddenly appeared and equally as rapidly disappeared in the 1970s rather it is a process of adaptation and change which characterizes the development of all three parties since world war ii the explicitly comparative organisation of the documents into five basic themes general strategy alliances party organization international policy policy toward the communist movement allows the reader both to follow any single party in a specific policy area or to compare the parties in

response to major domestic or international events of significance rich in archival material this book will be an invaluable resource to scholars and researchers of european politics comparative politics comparative communism and modern european history the long awaited second volume in stuart macintyre s definitive history of the communist party of australia communism was unlike any other political movement australia has ever seen at its peak in the 1940s unions led by communists could call a strike that paralysed the nation and communists influenced the highest level of government and commanded the unswerving loyalty of thousands it showed working men and women they could have a better life and gave them the tools to achieve it stuart macintyre reveals how sources of strength in the party s heyday became the undoing of the party over the following two decades unconditional support for the soviet model broke down as the horrors of stalinism were revealed public support for the party eroded during a series of strikes and hostility from mainstream politics and security services took a toll but for those who remained the comradeship and intense political engagement are the strongest memories the party is the second volume of stuart macintyre s masterful history of australian communism rich and compelling stories of activists idealists militants internationalists and anti racists who believed they were on the side of history until they weren t judith brett emeritus professor of politics at la trobe university stuart macintyre is the great historian of post war australia and this book is no exception macintyre s attention to detail is coupled with a lively writing style that holds the reader s attention hon tanya plibersek mp member for sydney the communist manifesto was published in 1848 and is written by karl marx and friedrich engels it is without doubt one of the world s most influential political manuscripts the text was commissioned by the communist league to explain the league s aims and ideals it analyses the problems of capitalism and the class system throughout history it is a philosophical text explaining the authors theories about the nature of society and politics however there are also some predictions about how capitalism would morph into socialism and then communism the director of the federal bureau of investigation explains the startling facts about the major menace of our time communism what it is how it works what its aims are the real dangers it poses and what loyal american citizens must know to protect their freedom masters of deceit is a powerful and informative book a firsthand account of american communism from its beginnings to the present written by a man more intimately familiar with the complete story than any other american mr hoover shows the day to day operations of the communist party usa who the communists are what they claim why people become communists and why some break away he describes life within the party communist strategy and tactics methods of mass agitation and underground infiltration espionage sabotage and its treatment of minorities the picture of what life in this country would be under communism toward which thousands of misguided americans actually are working now is vivid and shocking the forceful driving message of this book is clarified with many incidents and anecdotes definitions of communist terms key dates and a list of international communist organizations and publications which illustrate the communist trojan horse in action and it concretely outlines just what you can do now to combat the evils of the false religion of communism so that you can stay free masters of deceit is one of the most important books of our time a warning of the clear and present danger to our way of life the communist manifesto manifesto of the communist party by friedrich engels and karl marx a spectre is haunting europe the spectre of communism all the powers of old europe have entered into a holy alliance to exorcise this spectre pope and czar metternich and guizot french radicals and german police spies where is the party in opposition that has not been decried as communistic by its opponents in power where is the opposition that has not hurled back the branding reproach of communism against the more advanced opposition parties as well as against its reactionary adversaries two things result from this fact i communism is already acknowledged by all european powers to be itself a power ii it is high time that communists should openly in the face of the whole world publish their views their aims their tendencies and meet this nursery tale of the spectre of communism with a manifesto of the party itself this book analyses the impact of the collapse of communism in eastern europe and the former soviet union on the communist parties of western europe seven case studies covering the italian french spanish portuguese belgian british and

german parties provide a tightly argued comparative perspective the conclusion assesses the range of responses to the dramatic events of 1989 91 and likely future direction of the west european communist movement it is argued that whilst it is no longer possible to talk of a coherent family of communist parties various individual parties some of them in revised form may continue to prosper international communism today is split on a number of ideological and political issues and is incapable of the kind of unified action implied by the term movement â so argues heinz timmermann in this assessment of the current state of world communism dr timmermann discusses the historical concept of a world communist movement in connection with the ussr and china focusing on communism in the west he examines such diverse groups as the communist parties in italy france portugal cyprus chile and japan communist parties in the west are increasingly adjusting their policies to better fit their own cultures and the author links this independence to the emphasis the soviet union s communist party has been placing on the specifically russian character of the october revolution and soviet state interests apparently moscow is now showing some flexibility in its response to tendencies toward differentiation and pluralism within the system of communist parties gorbachev is less concerned with ideological orthodoxy than with communists effectively supporting soviet foreign policy the author argues that by acceding to the concept of unity in diversity â gorbachev is signaling that the soviet leadership is willing to look beyond the myth of a world communist movement first published in 1981 the italian communist party looks at the debate within the party and how its strategy was forged it considers the development of eurocommunism the rise and fall of the ingrao left and many other topics related to the formulation of the pci based on original research by the author it explores how key issues were debated and resolved in various representative provincial organisations of the party it shows how changing ideals affected policy and the party s organisation and how different attitudes emerged from the diverse social and economic conditions in the different parts of italy this book is an important historical document for scholars and researchers of italian communism european communism and political studies a welcome addition to our stock of knowledge regarding the process of democratization the real value of the book lies in the empirical details and occasional suggestive comparisons rather than in a consistently convincing conceptual rendering of the opening pages of the new chapter in east central european history frank a kunz canadian journal of political science party formation in east central europe is an excellent book it is encouraging that many of the articles were written by scholars who are of eastern european origins and live in the area ann griffiths international insights party formation in east central europe is one of the first books to present detailed studies of politics in czechoslovakia hungary poland and bulgaria during the initial three years of post communist rule in spite of its small size the hungarian communist party hcp founded in the fall of 1918 has played an important role both in hungary s national history and in the international communist movement hungary which was the only soviet republic other than the ephemeral bavarian soviet republic to exist outside the ussr lasted five months during the critical period of the paris peace conference the veterans of the hungarian soviet republic like bela kun georg lukacs and eugen varga later held important posts in the comintern and in the international communist press in the stalinist era the hcp distinguished itself by excessive zeal in the application of integral stalinism in foreign policy e g anti titoism the economy and political life e g the rajk and kadar trials however the 1956 revolution was engineered by the revisionist communist intelligentsia and by such revisionist party leaders as imre nagy finally in spite of its repressive role after the revolution in the 1970s under janos kadar the hcp introduced a new system of liberalism and economic reform manifesto of the communist party written by karl marx friedrich engels is widely considered by many to be one of the top books of all time this classic will surely attract a whole new generation of readers for many manifesto of the communist party is required reading for various courses and curriculums and for others who simply enjoy reading classic literature this work by karl marx friedrich engels is highly recommended published by classic books america and beautifully produced manifesto of the communist party would make an ideal gift and it should be a part of everyone s personal library this collection of documents covers the rise to power of the chinese communist movement they show how the chinese

communist party interpreted the revolution how it devised policies to meet changing circumstances and how these policies were communicated to party members and public marx and engels s communist manifesto has become one of the world s most influential political tracts since its original 1848 publication part of the rethinking the western tradition series this edition of the manifesto features an extensive introduction by jeffrey c isaac and essays by vladimir tismaneanu steven lukes saskia sassen and stephen eric bronner each well known for their writing on questions central to the manifesto and the history of marxism these essays address the manifesto s historical background its impact on the development of twentieth century communism its strengths and weaknesses as a form of ethical critique and its relevance in the post 1989 post cold war world this edition also includes much ancillary material including the many prefaces published in the lifetimes of marx and engels and engels s principles of communism the end of the cold war and the fall of the soviet empire have had major consequences for italian politics leonard weinberg explores some of those consequences focusing on the transformation of the italian communist party from a leninist to a democratic party he also discusses the relationship between the end of communism and the unfolding of the entire italian system the transformation of italian communism has two objectives first it calls the reader s attention to the role of international developments an important but largely overlooked area involved in the study of european party politics traditional texts in this area emphasize domestic factors but weinberg focuses on the influence of international developments on domestic party politics in italy the implications for other nations are transparent the second objective of this work is to examine how italy s communist party the largest such party of its kind in the western world reacted to the fall of communism in eastern europe weinberg analyzes the meaning of these events for long tune party members in italy as well as for italian political and cultural life the transformation of italian communism offers an original intimate and unique assessment of how the end of the cold war has affected italian political culture it will be a valuable addition to those interested in the convulsions taking place in modem italy as well as to political scientists and theorists of political culture the well known author tells of his disillusionment with communism and his subsequent break with the party through her long involvement in the german communist party ruth fischer amassed valuable material on its changing fortunes the transformation of the bolshevik party into a totalitarian dictatorship and the degeneration of the comintern drawing on this material and on her own vivid recollections fischer reconstructs the history of the german communist party from 1918 to 1929 first published in 1948 this fundamental work opened up the study of the inner organizational life of a major revolutionary movement in his introduction to the social science classics edition john leggett reviews and summarizes the social political and economic issues and events that precipitated the revolution and those factors that contributed to its failure cuba was different explores cuban communist party pcc views following the collapse of eastern european and soviet socialism through the lens of the official daily newspaper granma 1989 1992 and interviews conducted later with cuban pcc members who reflected back on that momentous period this up to date new analysis of the french communist party reveals it as an entirely unconventional political force not a normal party vying for office but a leninist bureaucracy armed with an apocalyptic mission to deliver humanity from capitalism its interests have been defined as part of an outpost of a world revolutionary movement and whilst its strategies may have varied they have done so in order to serve soviet foreign policy purposes d s bell and byron criddle trace the history of the communist party in france from its origins they focus in particular on the period since 1958 and explore the party s unique organizational structures and international loyalties they examine structure and ideology relations with the socialist party electoral performance and the 1980s decline in the party s fortunes this study will be essential reading for all students of contemporary french history and politics countless studies have assessed the dramatic reforms of mikhail gorbachev but their analysis of the impact on european communism has focused overwhelmingly on the soviet union and eastern bloc nations this ambitious collection takes a much broader view reconstructing and evaluating the historical trajectories of glasnost and perestroika on both sides of the iron curtain moving beyond domestic politics and foreign relations narrowly defined the research gathered here constitutes a transnational

survey of these reforms collective impact showing how they were variably received and implemented and how they shaped the prospects for proletarian internationalism in diverse political contexts the chinese communist party ccp is the largest and one of the most powerful political organizations in the world today which has played a crucial role in initiating most of the major reforms of the past three decades in china china s rapid rise has enabled the ccp to extend its influence throughout the globe but the west remains uncertain whether the ccp will survive china s ongoing socio economic transformation and become a democratic country with rapid socio economic transformation the ccp has itself experienced drastic changes zheng yongnian argues that whilst the concept of political party in china was imported the ccp is a chinese cultural product it is an entirely different breed of political party from those in the west an organizational emperor wielding its power in a similar way to chinese emperors of the past using social and political theory this book examines the ccp s transformation in the reform era and how it is now struggling to maintain the continuing domination of its imperial power the author argues that the ccp has managed these changes as a proactive player throughout and that the nature of the ccp implies that as long as the party is transforming itself in accordance to socio economic changes the structure of party dominion over the state and society will not be allowed to change examines a system of government that was perhaps the most experimental and risky that the world has known

The Communist Party in Post-Soviet Russia 2002

this pioneering analysis uses the results from the first ever irish election study to provide a comprehensive survey of the motives outlook and behaviour of voters in the republic of ireland building on the foundations laid down by previous work on comparative electoral behaviour it explores long term influences on vote choice such as party loyalties and enduring values as well as short term ones such as the economy the party leaders and the candidates themselves it also examines how people use their vote and why so many people do not vote at all many features of irish elections make such a detailed study particularly important the single transferable vote system allows voters an unusual degree of freedom to pick the candidates they prefer while electoral trends observed elsewhere can be found in a more extreme form in ireland for example attachment to parties is very low differences between them are often obscure candidate profiles are very high and turnout is falling rapidly however irish elections defy international trends in other respects most notably in the degree of personal contact parties and candidates make with their voters findings are presented in a manner that is highly accessible to anyone with an interest in elections electoral systems and electoral behaviour the book is essential reading for anyone interested in irish politics and is an important text for students of european politics parties and elections comparative politics and political sociology

The Communist Party of Poland 1976

reproduction of the original manifesto of the communist party by karl marx

The Communist Party of Indonesia, 1951-1963 1964

this book provides an historical overview of the japanese communist party from its foundation to the present it outlines the development of the party explores its stance on key issues and discusses how the party has set a high moral tone avoiding compromising coalitions with other parties being intolerant of corruption within its own ranks and frequently and consistently opposing the ruling liberal democratic party the book also considers the internal nature of the party which continues to have a mass membership and which in recent years has softened its former somewhat rigid approach the book emphasizes the importance for japan of this moral approach as the conscience of the nation especially as the present abe government moves japan to the right even though the japanese communist party has never gained power and is never likely to

Manifesto of the Communist Party 2020-08-15

the communist international was formed in moscow in 1919 as a factory of world revolution but was dissolved in 1943 without having led a single successful working class uprising this book offers a reappraisal of the body

The Japanese Communist Party 2018-06-12

first published in 1981 the communist parties of italy france and spain presents a comparative and integrative overview of the development of three communist parties in the postwar europe through the systematic presentation of the most important documents of the communist parties the book provides an access to the basic declarations and positions to illustrate the strategic and ideological evolution of these three parties in the advanced industrial democracies eurocommunism the editors argue cannot be usefully understood as a phenomenon which suddenly appeared and equally as rapidly disappeared in the 1970s rather it is a process of adaptation and change which characterizes the development of all three parties since world war ii the explicitly comparative organisation of the documents into five basic themes general strategy alliances party organization international policy policy toward the communist movement allows the reader both to follow any single party in a specific policy area or to compare the parties in response to major domestic or international events of significance rich in archival material this book will be an invaluable resource to scholars and researchers of european politics comparative politics comparative communism and modern european history

World Strength of the Communist Party Organizations 1960

the long awaited second volume in stuart macintyre s definitive history of the communist party of australia communism was unlike any other political movement australia has ever seen at its peak in the 1940s unions led by communists could call a strike that paralysed the nation and communists influenced the highest level of government and commanded the unswerving loyalty of thousands it showed working men and women they could have a better life and gave them the tools to achieve it stuart macintyre reveals how sources of strength in the party s heyday became the undoing of the party over the following two decades unconditional support for the soviet model broke down as the horrors of stalinism were revealed public support

for the party eroded during a series of strikes and hostility from mainstream politics and security services took a toll but for those who remained the comradeship and intense political engagement are the strongest memories the party is the second volume of stuart macintyre s masterful history of australian communism rich and compelling stories of activists idealists militants internationalists and anti racists who believed they were on the side of history until they weren t judith brett emeritus professor of politics at la trobe university stuart macintyre is the great historian of post war australia and this book is no exception macintyre s attention to detail is coupled with a lively writing style that holds the reader s attention hon tanya plibersek mp member for sydney

International Communism and the Communist International, 1919-43 1998

the communist manifesto was published in 1848 and is written by karl marx and friedrich engels it is without doubt one of the world s most influential political manuscripts the text was commissioned by the communist league to explain the league s aims and ideals it analyses the problems of capitalism and the class system throughout history it is a philosophical text explaining the authors theories about the nature of society and politics however there are also some predictions about how capitalism would morph into socialism and then communism

A History of the Romanian Communist Party 1980

the director of the federal bureau of investigation explains the startling facts about the major menace of our time communism what it is how it works what its aims are the real dangers it poses and what loyal american citizens must know to protect their freedom masters of deceit is a powerful and informative book a firsthand account of american communism from its beginnings to the present written by a man more intimately familiar with the complete story than any other american mr hoover shows the day to day operations of the communist party usa who the communists are what they claim why people become communists and why some break away he describes life within the party communist strategy and tactics methods of mass agitation and underground infiltration espionage sabotage and its treatment of minorities the picture of what life in this country would be under communism toward which thou sands of misguided americans actually are working now is vivid and shocking the forceful driving message of this book is clarified with many incidents and anecdotes definitions of communist terms key dates and a list of international communist organizations and publications which illustrate the communist trojan horse in action and it concretely outlines just what you can do now to combat the evils of the false religion of communism so that you can stay free masters of deceit is one of the most important books of our time a warning of the clear and present danger to our way of life

The Communist Party of the Soviet Union 1960

the communist manifesto manifesto of the communist party by friedrich engels and karl marx a spectre is haunting europe the spectre of communism all the powers of old europe have entered into a holy alliance to exorcise this spectre pope and czar metternich and guizot french radicals and german police spies where is the party in opposition that has not been decried as communistic by its opponents in power where is the opposition that

has not hurled back the branding reproach of communism against the more advanced opposition parties as well as against its reactionary adversaries two things result from this fact i communism is already acknowledged by all european powers to be itself a power ii it is high time that communists should openly in the face of the whole world publish their views their aims their tendencies and meet this nursery tale of the spectre of communism with a manifesto of the party itself

The Communist Parties of Italy, France and Spain 2021-06-29

this book analyses the impact of the collapse of communism in eastern europe and the former soviet union on the communist parties of western europe seven case studies covering the italian french spanish portuguese belgian british and german parties provide a tightly argued comparative perspective the conclusion assesses the range of responses to the dramatic events of 1989 91 and likely future direction of the west european communist movement it is argued that whilst it is no longer possible to talk of a coherent family of communist parties various individual parties some of them in revised form may continue to prosper

The Party 2022-02-01

international communism today is split on a number of ideological and political issues and is incapable of the kind of unified action implied by the term movement â so argues heinz timmermann in this assessment of the current state of world communism dr timmermann discusses the historical concept of a world communist movement in connection with the ussr and china focusing on communism in the west he examines such diverse groups as the communist parties in italy france portugal cyprus chile and japan communist parties in the west are increasingly adjusting their policies to better fit their own cultures and the author links this independence to the emphasis the soviet union s communist party has been placing on the specifically russian character of the october revolution and soviet state interests apparently moscow is now showing some flexibility in its response to tendencies toward differentiation and pluralism within the system of communist parties gorbachev is less concerned with ideological orthodoxy than with communists effectively supporting soviet foreign policy the author argues that by acceding to the concept of unity in diversity â gorbachev is signaling that the soviet leadership is willing to look beyond the myth of a world communist movement

Manifesto of the Communist Party - The Communist Manifesto 2013-03

first published in 1981 the italian communist party looks at the debate within the party and how its strategy was forged it considers the development of eurocommunism the rise and fall of the ingrao left and many other topics related to the formulation of the pci based on original research by the author it explores how key issues were debated and resolved in various representative provincial organisations of the party it shows how changing ideals affected policy and the party s organisation and how different attitudes emerged from the diverse social and economic conditions in the different parts of italy this book is an important historical document for scholars and researchers of italian communism european communism and political studies

Masters Of Deceit: The Story Of Communism In America And How To Fight It 2015-11-06

a welcome addition to our stock of knowledge regarding the process of democratization the real value of the book lies in the empirical details and occasional suggestive comparisons rather than in a consistently convincing conceptual rendering of the opening pages of the new chapter in east central european history frank a kunz canadian journal of political science party formation in east central europe is an excellent book it is encouraging that many of the articles were written by scholars who are of eastern european origins and live in the area ann griffiths international insights party formation in east central europe is one of the first books to present detailed studies of politics in czechoslovakia hungary poland and bulgaria during the initial three years of post communist rule

The Communist Manifesto 2016-11-15

in spite of its small size the hungarian communist party hcp founded in the fall of 1918 has played an important role both in hungary s national history and in the international communist movement hungary which was the only soviet republic other than the ephemeral bavarian soviet republic to exist outside the ussr lasted five months during the critical period of the paris peace conference the veterans of the hungarian soviet republic like bela kun georg lukacs and eugen varga later held important posts in the comintern and in the international communist press in the stalinist era the hcp distinguished itself by excessive zeal in the application of integral stalinism in foreign policy e g anti titoism the economy and political life e g the rajk and kadar trials however the 1956 revolution was engineered by the revisionist communist intelligentsia and by such revisionist party leaders as imre nagy finally in spite of its repressive role after the revolution in the 1970s under janos kadar the hcp introduced a new system of liberalism and economic reform

West European Communist Parties after the Revolutions of 1989 2016-07-27

manifesto of the communist party written by karl marx friedrich engels is widely considered by many to be one of the top books of all time this classic will surely attract a whole new generation of readers for many manifesto of the communist party is required reading for various courses and curriculums and for others who simply enjoy reading classic literature this work by karl marx friedrich engels is highly recommended published by classic books america and beautifully produced manifesto of the communist party would make an ideal gift and it should be a part of everyone s personal library
