how can you become a more successful manager a stronger team leader and a motivator who gets the best results from a group ken blanchard s inspiring new book provides the

answer in a beguiling sometimes humorous fashion the leadership pill conjures up a tantalizing possibility what if there was a pill that could stimulate the natural powers of the mind and body to provide leadership in the story an amazing new pill heightens one leader's powers but contains the wrong ingredients stimulating him in a short sighted direction he is coercive obsessed with immediate results and drives his team relentlessly until after a brief spike in performance they suffer early burnout in contrast the effective leader working without a pill inspires and supports his team he supplies the right ingredients earning the respect and trust of his team with a blend of integrity partnership and affirmation ultimately it is recognised that there is more to effective leadership than a wonder pill destined to be a transforming experience for thousands of readers the leadership pill shows how to apply the right techniques no matter how pressured a business situation

The Essential Ken Blanchard Collection

1994

Ken Blanchard's leading at a higher level techniques are inspiring thousands of leaders to build high performing organizations that make life better for everyone now in helping people win at work. Blanchard and WD 40 company leader Garry Ridge reveal how WD 40 has used Blanchard's techniques of partnering for performance with every employee achieving levels of engagement and commitment that have fortified the bottom line. Ridge introduces WD 40 company's year round performance review system explaining its goals, features and the cultural changes it requires. Next he shares his leadership point of view, what he expects of people, what they can expect of him, and where his beliefs about leadership and motivation

come from finally blanchard explains why wd 40 company s partnering for performance system works so well and how to leverage its high value techniques in your organization in this book you ll learn how to stop building failure into your mentoring of employees set goals using the smart approach specific motivational attainable relevant and trackable help people move through all four stages of mastery create a culture that shares knowledge and encourages nonstop learning i m thrilled that the first book in our leading at a higher level series is with garry ridge president of wd 40 company for years i ve been concerned about how people s performance is evaluated people are often forced into a normal distribution curve or even worse rank ordered not only does this not build trust it also does not hold managers responsible for coaching people and helping them win the manager s responsibility is focused on sorting people out when i was a college professor i always gave my students the final exam at the beginning of the course and spent the rest of the semester helping them answer the questions so that they could get an a life is all about getting as not some stupid normal distribution curve garry ridge got this and wow what a difference it has made in wd 40 company s performance ken blanchard when i first heard ken talk about giving his final exam at the beginning of the course and then teaching students the answers so they could get an a it blew me away why don t we do that in business so that s exactly what i did at wd 40 company when we set up our don t mark my paper help me get an a performance management system has it made a difference you d better believe it ever since we began the system our company s annual sales have more than tripled from 100 million to more than

339 million and we've accomplished this feat while making the company a great place to work
