

Free pdf Old time gospel hymns and chords (Read Only)

reprint of the original first published in 1875 reprint of the original first published in 1875 the publishing house anapitopi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost realizing the need of new hymns and sacred songs in the meetings conducted by messrs moody whittle and others we have compiled this volume under the title of gospel hymns no 2 it will be found to contain a large number of new gospel songs never before published together with many of the most useful and popular hymns of the day both new and old gratefully recognizing the fact that in these times of refreshing the blessing of god has accompanied the singing of his truth we are encouraged to send forth this additional volume of gospel hymns with the prayer that they may be blessed to all who sing them and that through this instrumentality many may be led to the lamb of god which taketh away the sin of the world and by and by be permitted to join a nobler and better song the song of moses and the lamb preface reprint of the original first published in 1876 how to play hymns and gospel songs in evangelistic styles is presented in three sections the first section presents how to play hymns in basic chorale style the second section presents how to play hymns in full chorale and accompaniment styles the third section is a collection of well loved standard gospel hymns already arranged for you using the three styles taught in sections one and two this collection contains 100 favorite gospel songs and hymns for flute and guitar inside you will find rousing camp meeting songs sentimental expressions of a deep rooted faith and gospel oriented hymns with an old time music flavor in preparing this collection i felt the sincere and solid faith of america s revivalist era staunchly embedded in the rural and southern regions of america but also in the dedicated inner city missions founded in sprawling urban centers these solos will bring joy exuberance nostalgia and a renewed sense of commitment to any worship celebration they serve as a vehicle for and witness to the christian faith excerpt from gospel hymns and sacred songs words only tms collection of gospel hymns am sacred songs has been compiled with great care and is believed to contain the most use ful and popular pieces to be found in the whole library of christian song about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works today s businessman stretches his lunch hour with a third martini or a fast game of handball his nineteenth century counterpart might well have stretched his to take in a religious revival across america especially in 1857 58 and 1875 77 two men ira d sankey and dwight l moody were holding immensely popular meetings that would lay the foundation for the tradition of hymnody and revivalism that extends through billy sunday to billy graham they added major new developments to an already existing revival tradition mass meetings in large auditoriums careful organization of local christian workers and a completely interdenominational approach but the most remarkable feature of the moody sankey act was sankey himself he sang the gospel he also had his own book of songs to sell sankey s gospel hymns was by far the most successful of american hymnals and deserves some special attention some attempt to account for its impact why did gospel hymns have such appeal in this unique study sandra sizer addresses that question by discussing the emergence of moody sandy revivalism and popular religion in the white urban north one cannot account for the popularity of revivalism by generalizations about industrialization or urbanization this book offers a new perspective by looking at the rhetoric of the hymns themselves it also examines what sorts of events and developments in american society made hymn singing and revivals so attractive to so many people the author s method is a sociology of religious language which employs the insights and methods of several disciplines especially anthropology and literary criticism emphasizing cultural phenomena as linguistic phenomena intimately related to particular social settings the approach is historical but not chronological the task the author has set herself is an interpreta tion of the kind of hymn found in gospel hymns illuminating in the process the way in which the hymns and the revivals helped to create a social religion a community based in likeness of feeling the community was sacred and promoted moral behavior people gave up alcohol were honest and gentle in accord with the feminine ideal on which the communal feeling was based the hymns became vehicles for articulating a widespread community defined purely in terms of feeling they became symbols of unity against later evils such as communists catholics and homosexuals the analysis in this book allows for a critical perspective on the ideas and forms of revivalism which have shaped much of american culture and rhetoric the idea of the individual s inner states as the key to his character the social as a realm which creates uniformity through bonds of emotion the segregation of home and woman from the real world and the potential political uses of apolitical rhetoric this book in short goes far beyond the discussion of gospel hymns it raises issues which go to the heart of white protestant urban america and suggests that the assumptions lodged there demand argument not acceptance publisher description sankey s story of the gospel hymns and of sacred songs and solos by ira david sankey first published in 1906 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it the night before jess goes off to france for a university year abroad her parents and grandparents gather to celebrate and share the stories of their lives excerpt from gospel hymns and spiritual songs the author of this hymn book six and twenty years ago

published a selection of hymns called the believer s hymn book the present hymns are composed by himself chief y in his later years they will speak for themselves if of god they will be found to be in accordance with his written word and to exalt the name of his son jesus above all whatever may prove profitable in them to our risen lord be the praise for the help afforded by his spirit dividing to every man severally as he will that god in all things may be glorified through j csus christ to whom he praise and dominion forever and about the publisher forgotten books publishes hundreds of reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant excerpt from my life and the story of the gospel hymns and of sacred songs and solos the deep interest i have always taken in the subject of hymnology and my warm personal affection for the author of this volume are my warrant for speaking for it a warm and hearty welcome if ever a man was raised and endowed for a special work by our divine master that man is ira d sankey his work has been of a twofold character before his day psalms and hymns and spiritual songs had always been an important part of the services of religious worship throughout christendom but he introduced a peculiar style of popular hymns which are calculated to awaken the careless to melt the hardened and to guide inquiring souls to the lord jesus christ in the next place he sang these powerful revival hymns himself and became as effective a preacher of the gospel of salvation by song as his associate dwight l moody was by sermon the multitudes who heard his rich and inspiring voice in the ninety and nine jesus of nazareth passeth by and when the mists have rolled away will testify to the prodigious power with which the holy spirit gave him utterance while he has had many successors he was the pioneer about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses
