

Free download From frontiers to football an alternative history of latin america since 1800 reaktion books globalities (PDF)

Latin America often refers to the regions in the Americas in which Romance languages are the main languages and the culture and empires of its peoples have had significant historical ethnic linguistic and political influence. Latin America is a region of the world that spans two continents: North America, including Central America and the Caribbean, and South America. It includes 19 sovereign nations and one non-independent territory, Puerto Rico. The history of Latin America spans from the pre-Columbian period, including Spanish and Portuguese colonization, the 19th-century wars of independence, and developments to the end of the 20th century.

Latin America is a vast region in the Western Hemisphere that encompasses Mexico, Central America, the Caribbean, and South America. Thus, it traverses two continents and includes hundreds of millions of people, about 659 million in total. Latin America is often confused with other terms such as Ibero-America and Spanish-speaking Latin America. Latin America consists of 33 countries; Brazil is the largest and most populous country in Latin America. It also has the region's biggest economy. Mexico is the largest and most populous Spanish-speaking country in the world. Approximately 659 million people live in Latin America.

Latin America is a geographical and cultural region of the Americas, the world's second largest continent, composed of countries whose official language is derived from Latin: Spanish, Portuguese, and French. It comprises twenty countries and has a total population of about 650 million. Most countries in Latin America are Spanish-speaking, including all of South America, as well as Mexico, Central America, and islands of the Caribbean. Latin America includes countries of South America and North America, including Central America and the islands of the Caribbean Sea. South of the U.S., the term is often restricted to countries where either Spanish or Portuguese is spoken. Latin America is a collective region of the Americas where Romance languages, derived from Latin, are predominantly spoken. The term was coined in France in the mid-19th century to refer to regions in the Americas that were ruled by the Spanish, Portuguese, and French empires.
