

*Push Back!* 2014-01-02 how many times have you had the unsettling experience of being treated as a troublemaker as soon as you question or raise an objection to a school policy a textbook a course of study a new county regulation or a community proposal every day attendees of conferences community forums pta meetings and board meetings are made to feel uncomfortable and occasionally foolish by the person or persons leading the meeting the speakers moderators or provocateurs whom author b k eakman refers to as professional manipulators hold power over the room and know how to steer the discussion back to their agendas without ever answering audience questions or addressing their concerns these people use techniques to ostracize those brave enough to stand and question or criticize them with push back readers will be able to counter group manipulation tactics by learning to recognize psychologically controlled environments identify the professional agitator provocateur examine components of psych war undercut faulty distorted and biased arguments of opponents squelch techniques used to rebuff audience members who complain or balk neutralize consensus building techniques and much more

**Screening Sandy Hook** 2015-02-03 most parents would never consider dispensing deadly addictive street drugs to their children but if a trusted physician writes a prescription for an fda approved schedule 2 medication for their two year old based on some questionable mental health screening those unwary parents do not question or object despite side effect warnings regularly revealed during tv ads parents frequently fail to take those warnings seriously perhaps presuming that the side effects are happenstance or rarely occur over the decades because organized psychiatry represented by the american psychiatric association apa convened numerous consensus panels that designed hundreds of non biologically based disorders for its diagnostic and statistical manual of mental disorders dsm especially suitable for the pill for every ill pharmaceutical industry that conceivably already had many profitable solutions for the disorders in the pre production process the consequences have been disastrous with no discernable end in sight some people taking prescription drugs or withdrawing from them have perpetrated school mall and public shootings that is in addition to thousands of suicides that the public never hears about unless the victim is a well known public figure like robin williams just the military related suicide rate is 8 000 per year untold numbers of these are the result of the psych drug cocktails doled out by psychiatrists working for the va the government is big pharma's largest customer in addition to the homicides and suicides irreversible brain damage results from drug remedies to temporary problems that might have been easily resolved through compassionate interaction and talk therapy despite the claims that drugs were not a factor in the sandy hook mass murders certain circumstances provide a different picture adam lanza always a unique individual changed from being a geeky weird kid to being a mass murderer not of people his own age but of beautiful vulnerable children feeling secure in their classrooms in a sleepy bedroom community in connecticut
