## **how to choose a pillow fill type size density and more Mar 06 2023**

bedding pillows december 2 2021 updated on july 13 2023 how to choose the right pillow type for you fill size and other considerations john manuel andriote share choosing the right pillow is crucial for a good night s sleep

## **how many pillows should you have on your bed Feb 05 2023**

no matter what your decor style the one pillow that s essential for every bed is the sleeping pillow most people have at least two on the bed and if you re a couple you may have four sleeping pillows typically come in three sizes standard 20 by 26 inches queen 20 by 30 inches king 20 by 36 inches

## **size matters what you need to know about pillows Jan 04 2023**

instead of two pillows try three or five instead of four on most standard size couches that seat three people comfortably three to five throw pillows work best but even here there truly are no hard and fast rules if you want to use two pillows or four pillows do it
