Moody's Industrial Manual 1994 our knowledge of reproductive medicine has expanded rapidly since the birth of louise brown the first baby to be conceived by in vitro fertilization which was performed by professors steptoe and ed wards in bourn hall england in 1978 hardly a year goes by without the development of a new or the modification of an existing method of assisted reproduction within a relatively short period in vitro fertilization has been introduced into the treatment of female infertility intracytoplasmic sperm injection has also created new opportunities for the treatment of male infertility this manual takes stock of the techniques of assisted reproduc tion that are available today competent authors from various centers present in a concise way their tried and tested procedures so that the latter can be readily implemented due to different legal regulations the scope of assisted re production is much more limited in germany than in many other countries for example whereas only three embryos may be con ceived and transferred in germany such restrictions do not exist in several other european countries and the united states further more heterologous fertilization oocyte donation and surrogate motherhood are banned in germany we are glad to have been able to recruit many international ex perts to present the various fields of assisted reproduction from their perspective we hope this book will help to establish the different therapies and achieve a wide distribution

Video Magazine 1998 the must have resource drawing together all aspects of hospital care of the horse and specialist techniques in equine medicine written by a team of over 30 international experts working at the cutting edge of equine medicine and surgery the emphasis is on practical easy to access information with a sound basis in evidence based medicine and full references

for further enquiry the equine hospital manual covers the range of procedures used on hospitalized adult horses and foals from the simple to the advanced the book is liberally illustrated with photographs and line drawings covering basic skills including physical examination blood collection and bandaging advanced skills including mechanical ventilation lung biopsy and cardiac output measurement designing and setting up an equine hospital biosecurity therapeutic drugs used in horses and their doses nutrition for hospital patients including tpn and ppn fluid therapy choices amounts and pitfalls anaesthesia equipment techniques and post operative care including analgesia reflecting the substantial trend in recent years to treat horses in a hospital rather than in the field this book provides all you need to know whether you have facilities to treat one or one hundred horses

Manual on Assisted Reproduction 2012-12-06 in early reviews geeks raved about windows 7 but if you re an ordinary mortal learning what this new system is all about will be challenging fear not david pogue s windows 7 the missing manual comes to the rescue like its predecessors this book illuminates its subject with reader friendly insight plenty of wit and hardnosed objectivity for beginners as well as veteran pc users windows 7 fixes many of vista s most painful shortcomings it s speedier has fewer intrusive and nagging screens and is more compatible with peripherals plus windows 7 introduces a slew of new features including better organization tools easier wifi connections and home networking setup and even touchscreen computing for those lucky enough to own the latest hardware with this book you ll learn how to navigate the desktop including the fast and powerful search function take advantage of window s apps and gadgets and tap into 40 free programs breeze the with internet explorer 8 and learn the email chat and videoconferencing programs record tv and radio display photos play music and record any of these to dvd using the media center use your printer fax laptop tablet pc or smartphone with windows 7 beef up your system and back up your files collaborate and share documents and other files by setting up a workgroup network
