remained very much in the grip of the pandemic in the  
year 2021 although big budget hollywood features mostly  
absent from the 2020 lineup returned with some degree  
of box office success most everyone is hungry for  
something in burning the new film from south korean  
master lee chang dong how that hunger manifests and  
what hunger even signifies is up for debate the debate  
itself is too dangerous to even be spoken out loud  
since it threatens the class status quo the korean
