The Birth of the Maitreya

2004

in writing about the times of the buddha bani basu composes a new jataka the traditional format in which the tales of the different births of the buddha were written down in this jataka as a novel she grapples with history and the revolutionary ideas of the buddha who suggested new ways of living new political formations of a major change in belief indeed in thinking about god or the absence of one delving into history and biography sanskrit and pali her novel is intriguingly contemporary though set in the sixth century bc

Chapatis for Breakfast

2019-03-25

50 year old rama is a chapati seller living in patparganj with his 46 year old wife rachel 18 year old son rohit and 16 year old daughter renuga before leaving for work every morning he patiently prepares chapatis and chickpea curry for his family s breakfast despite rama s honest work ethic steadfast devotion to the family and kind heart rohit is thoroughly embarrassed that his father is only a chapati seller and repeatedly disrespects him this deeply saddens rama but he takes it in his stride one day rama encounters an enigmatic stranger from out of town who goes by the name of paul reaper and claims to be in need of temporary lodging after a brief conversation rama invites the stranger to stay with him and his family in their modest brick house none are aware that the stranger is actually the incarnation of death who has shown up at their doorstep to escort rama into the afterlife and in the process reveal what is worth treasuring

Rohit Parikh on Logic, Language and Society

2017-03-01

this book discusses major milestones in rohit jivanlal parikh s scholarly work highlighting the transition in parikh s interest from formal languages to natural languages and how he approached wittgenstein s philosophy of language it traces the academic trajectory of a brilliant scholar whose work opened up various new avenues in research this volume is part of springer s book series outstanding contributions to logic and honours rohit parikh and his works in many ways parikh is a leader in the realm of ideas offering concepts and definitions that enrich the field and lead to new research directions parikh has contributed to a variety of areas in logic computer science and game theory in mathematical logic his contributions have been in recursive function theory proof theory and non standard analysis in computer science in the areas of modal temporal and dynamic logics of programs and semantics of programs as well as logics of knowledge in artificial intelligence in the area of belief revision and in game theory in the formal analysis of social procedures with a strong undercurrent of philosophy running through all his work this is not a collection of articles limited to one theme or even directly connected to specific works by parikh but instead all papers are inspired and influenced by parikh in some way adding structures to and enriching parikh land the book presents a brochure like overview of parikh land before providing an introductory video on the sights and sounds that you experience when reading the book

Summary of Non-Obvious by Rohit Bhargava

2015-10-22

marketing expert and georgetown university professor rohit bhargava takes you through his list of non obvious trends by asking the questions most polls and trend predictors avoid or miss in non obvious we go deep into modern popular culture to study how the power of non linear thinking can predict the future non obvious delves into questions like why fewer brands are focusing on traditional marketing techniques how companies are exploiting our short attention spans and how conventional thinking about data analysis may be misguided do you want more free book summaries like this download our app for free at quickread com app and get

The Odd Muslim

2015-10-21

the story begins in the spring of 2016 an act of vandalism has been perpetrated on a middle aged muslim woman s home in a gated community in allentown pennsylvania the woman s story is then told in flashback as she confides in her sympathetic neighbor about her days at a state university in new jersey there in the year 2000 she meets an eclectic group of muslim students socially awkward she has always felt like an outsider so she is ecstatic about joining the group believing that the religious and cultural experiences she shares with these friends will finally bring her acceptance however she soon realizes that she may be destined to feel like an outsider even among people of her own religion after the tragic september 11 attacks through self examination and service to others she eventually shrugs off her habit of self pity and begins to develop self confidence but it is a hate fueled assault on a close muslim friend that leads her to her true calling promoting tolerance

Spoken English For Odia Speakers

2018-01-11

in today s competitive world spoken english is considered as a passport for success in life the craze for learning spoken english has led to the growth of coaching institutes all over the country much as they may profess and advertise it is not really possible to learn any language in 30 days a person who genuinely wants to learn the language needs to spend two to three hours every day for at least five or six months before he or she would feel confident to communicate in english the prime objective of this book is to encourage students to learn english as a tool of communication and to enable them to understand the language thoroughly the book basically takes off from the learner s point of view and guides them through cooperative learning methods in order to help master the effective communication skills in english the book has been divided into four convenient units of grammar pronunciation

conversation and vocabulary each chapter covers one main area of learning english explained with examples carefully selected and graded exercises have also been included throughout the book to give readers ample practice and a complete understanding of the subject in short the book follows the modern functional approach to the study of english so readers it is definitely a one stop solution for speaking english v s publishers
