The Boston Medical and Surgical Journal 1845 this book examines the role of the irish medical profession in the first world war it assesses the extent of its involvement in the conflict while also interrogating the effect of global war on the development of ireland s domestic medical infrastructure especially its hospital network the study explores the factors that encouraged ireland s medical personnel to join the

british army medical services and uncovers how irish hospital governors in the face of increasing staff shortages and economic inflation ensured that ireland s voluntary hospital network survived the war it also considers how ireland s wartime doctors reintegrated into an irish society that had experienced a profound shift in political opinion towards their involvement in the conflict and subsequently became embroiled in its own civil war in doing so this book provides the first comprehensive study of the effect of the first world war on the medical profession in ireland

Transactions of the Thirty-First Annual Meeting of the Ohio State Medical Society 2024-01-31 in first do no harm medical ethics in international humanitarian law sigrid mehring provides a comprehensive overview of the legal and ethical framework guiding physicians in armed conflict due to its timeliness the book is invaluable to practitioners and legal scholars alike

Bombay Civil List 1877 the number of wounded in the first world war was unprecedented and inadequate military planning presented the medical and voluntary community with huge and daunting challenges yet in the face of tremendous adversity both tackled their work with resourcefulness courage and great humanity this book is the illustrated story of those who risked their lives collecting casualties from the front line of the various transport and treatment facilities at their disposal and of the eclectic mix of buildings in which the wounded were cared for at home including many famous country houses the vital part played by nurses both in terms of essential medical duties and in boosting morale among the patients is also examined rounding off this perfect introduction to medical care in the first world war susan cohen is an historian with a special interest in twentieth century british social history and refugee studies she has lectured widely on a variety of subjects and published numerous books including the district nurse the women s institute the scouts and the salvation army for shire
