The Book of the Torah, Second Edition 2013-10-23 god uses people daily to communicate his fragrance and message to us too often we don't check to see what aroma or impression we are leaving for others to see hear or smell after visiting someone's home or before checking out of a motel or when moving we double check to make sure we haven't left anything behind even criminals check to make sure they haven't left any clues at the crime scene to identify them a story reminded me of this a robber thought he had committed the perfect crime he assumed he left no clues behind but he didn't count on someone remembering how he smelled the smell he left behind was what helped convict him yes we leave something everywhere we go stuart holden reminded a young man moving from a boarding house of this fact when the young man said he was just double checking to make sure he wasn't leaving anything behind there's one thing you will leave behind young man your influence

The Voice 2010-10-01 this book treats upon the themes of bible history themes not in themselves new but so presented here as to give them a new significance beginning with the rebellion in heaven the author shows why sin was permitted why satan was not destroyed and why man was tested gives a thrilling description of man's temptation and fall and rehearses the plan of salvation the life of each of the patriarchs from adam to king david is carefully scanned and from each a lesson is drawn the deliverance of israel from egypt the incidents of their forty years wanderings the building of the sanctuary the entrance into canaan the subjection of the land and the continued history of the israelite nation down to the close of david's reign are all related in an interesting narrative style that charms the reader and opens up to him new beauties in the scriptural record

Family Time with God 2014-04-04 the antichrist is among us here and now this book proves it by comparing the biblical prophecies about the antichrist with the evidence that those prophecies have been fulfilled this book documents the man of sin's esoteric confession that he is the antichrist you will learn how the antichrist has changed times and laws as prophesied by daniel and how he is today sitting in the temple of god shewing himself that he is god in fulfillment of paul's prophecy in 2 thessalonians 2:4 the beast of revelation has come into the world after the working of satan with all power and signs and lying wonders and with all deceivableness of unrighteousness as prophesied in 2 thessalonians 2:10

My Secret Journey 2022-12-31 satan knows that god has promised to preserve his words found in the holy scriptures so it would be futile for him to try to destroy them thus satan's strategy is to obscure god's words by flooding the world with counterfeit bibles that way he can flimflam people into reading his corrupt bibles instead of god's infallible scriptures the devil can then lead men astray from the true gospel this book will prove that the authorized king james version of the holy bible is given by inspiration of god it will reveal how satan is using profane bible versions to divert the world away from god's inspired holy scriptures the changes in the new bible versions are not merely cosmetic for ease of reading as claimed by the publishers they change doctrine the new bible versions have demoralized churches by proclaiming a different jesus and a different gospel from what is in god's inspired king james holy bible
