col david jesse is a decorated war hero who is well respected by his men however his son solomon has a reputation for being a playboy while at college following david s death solomon is given a final charge by his father and a parting gift a mysterious ancient artifact a sword with the star of david in pristine condition through these two items solomon realizes he is called to a higher purpose and upon displaying humility like his biblical namesake god promises him unparalleled wisdom and riches which enables him to become the world s first multi trillionaire solomon uses these blessings from god to create and market amazing inventions that begin to alleviate most problems that create human suffering and unrest in the world however these world changing innovations have incurred the wrath of powerful governmental and other entities who fear the loss of control over the masses resulting in a shadow government conspiracy to bring down solomon s empire solomon realizes he is a chess piece in the ultimate struggle between good and evil as dark clouds gather heralding the return of jesus christ the question is will he be able to keep one step ahead of those who seek to take advantage of current world events we see in the media every day that have the potential for global chaos the sword for the word of god is living and powerful and sharper than any two edged sword piercing even to the division of soul and spirit and of joints and marrow and is a discerner of the thoughts and intents of the heart heb 4 12 in defining a sword we know that it is a bladed weapon used primarily for cutting or thrusting the sword consists of a straight blade with two edges usually extremely sharp the objective of a sword in battle was to maim or inflict painful and severe wounds to the body of their enemy by means of mangling mutilating and injuring to render the opponent helpless and if these methods were unsuccessful the last resort was to take the life of their opponent by killing just as the natural sword had its uses even so the spiritual sword the natural sword may maim or kill physically while the spiritual sword renders the demonic host helpless through its destroying power we must always keep in mind as believers that we have authority through the word of god which is symbolized by the sword in history the sword is said to be the emblem of military honor such as in the medieval times when someone was honored as a knight by a monarch or political leader for service to their country this was carried out by touching the shoulders of the honored person with the sword though there are many types of swords the main concept was the same throughout history to protect and defend in the above mentioned scripture the sword was used as a symbol of the word of god a proper sword in its making was tempered very carefully meaning that it was heated at a certain temperature beaten into form by a sword smith on an anvil and cooled at a predetermined degree to ensure its effectiveness the reason for fashioning the sword in this manner was to ensure that when the combatant entered into battle the sword would be able to withstand all the attacks of their adversary by absorbing the shock of their weapons without shattering even so when we re engaged in spiritual warfare we cannot afford to have our emotions interfere with the operation of the spiritual weaponry it is not the word of god that ever falters but when one deals in unrighteousness such as forgiveness and bitterness these character flaws causes the word to become ineffective in our hands just as the natural sword has to be tempered for effectiveness in battle in like manner we too must be tempered by bringing our bodies into subjection to the will of god not being tempered enough in our selves gives the allusion that the sword is not pliable however it is we that are unstable and when the word is not activated in our lives this causes us to break as well often times when dealing with conflict it may be difficult to discern who is telling the truth because the parties having the conflict are both liked in their circle of associates before there were lie detectors there was god giving the discerning of spirits and the word of knowledge to help bring about truth the

sword is also a discerner of the thoughts and intentions of the heart let me share a story with you about a boy who said to a girl friend of his i will give you all of my marbles if you give me all of your candy so the night before the exchange the boy took out some of his favorite marbles the next morning the exchange was made but the young man was unsettled all day the question is why was he unsettled the reason was the boy had taken out some of his favorite marbles and was wondering if the girl had taken out some of her favorite candy the truth is if the girl had asked the boy if he had given her all the marbles and he said yes he would have lied the sword of solomon will teach you how the word enables you to become more sensitive in the spirit to rightly divide who is dealing with truth and who is dealing in deceit the sword as a discerner of truth is able to pinpoint whether something is proceeding out in an era when headlines often seem dominated by horrific stories about abused children solomon s sword weaves together the elements of two painful custody battles into a memorable book that no reader who cares about children will be able to put aside in examining collisions between children parents and the law shapiro meets judges lawyers social workers clergy and therapists who must advocate a course of action in thousands of cases each year across america reading about these dedicated people professionals in the vanguard of new approaches to the problem of mistreated children will leave readers hopeful that we are finally learning how to ameliorate this enduring national disgrace solomon s sword sheds new light on a dire social problem in a powerful book that will influence public policy for years to come solomon kane is a late 16th early 17th century puritan who is a somber looking man who wanders the world with no apparent goal other than to vanquish evil in all its forms his adventures often take him from europe to the jungles of africa and back howard described him as a tall gloomy man of pale skin gaunt face and cold eyes all of it shadowed by a slouch hat he is dressed entirely in black and his weaponry usually consists of a rapier a dirk and a brace of flintlock pistols contents red shadows skulls in the stars rattle of bones the moon of skulls the hills of the dead the footfalls within wings in the night solomon kane s homecoming a poem robert ervin howard 1906 1936 was an american author who wrote pulp fiction in a diverse range of genres he is well known for his character conan the barbarian and is regarded as the father of the sword and sorcery subgenre from his pulp fiction origins in weird tales to his latest dark horse incarnation robert e howard s sixteenth century puritan adventurer has captured the imaginations of readers for decades now all of the savage sword of conan short stories from the 1970s are collected for the first time equal parts comics adaptations of howard s formative tales and inspired new chapters from venerable scribes roy thomas conan the barbarian and don glut kull the destroyer follow along kane s restless travels with pistol and rapier as he is compelled to be a weapon of god ridding the world of evil wherever it may be found from the jungles of africa to the high seas and whether cannibal demon vampire or pirate a fantastic companion volume to dark horse s best selling savage sword of conan omnibus series contains short stories from various savage sword of conan and conan saga issues and from kull and the barbarians 2 and 3 marvel preview 19 monsters unleashed and dracula lives the story of king solomon as told by his court historian first published in 1995 routledge is an imprint of taylor francis an informa company in the year 2027 twelve year old jordan abrams and his younger sister and brother are still dealing with painful life changes when a mysterious voice calls them up to the attic there they discover an ancient dust covered trunk containing a timeworn book from amongst puzzling foreign languages it begins to literally speak and manifest itself to them the journey investigating the true meaning of what the book says takes them across an ocean to experience the roots of judeo christian faith and then it brings them back again filled with intrigue and adventures they find power and an everlasting bond with the one and only real superhero back cover 1884 its connection with the rosicrucians and the gnostics and its foundation in buddhism with an essay on mystic anatomy surely it is more philosophical to take in the whole of life in every possible form than to shut yourself up in one doctrine are you aware that you are in the midst of a spiritual war this book was created to ensure that you survive this war and thrive in life believers are involved in an ongoing spiritual warfare to gain victory you need a spiritual weapon

the sword for the word of god is living and powerful and sharper than any two edged sword piercing even to the division of soul and spirit and of joints and marrow and is a discerner of the thoughts and intents of the heart heb 4 12 in defining a sword we know that it is a bladed weapon used primarily for cutting or thrusting the sword consists of a straight blade with two edges usually extremely sharp the objective of a sword in battle was to maim or inflict painful and severe wounds to the body of their enemy by means of mangling mutilating and injuring to render the opponent helpless and if these methods were unsuccessful the last resort was to take the life of their opponent by killing just as the natural sword had its uses even so the spiritual sword the natural sword may maim or kill physically while the spiritual sword renders the demonic host helpless through its destroying power we must always keep in mind as believers that we have authority through the word of god which is symbolized by the sword in history the sword is said to be the emblem of military honor such as in the medieval times when someone was honored as a knight by a monarch or political leader for service to their country this was carried out by touching the shoulders of the honored person with the sword though there are many types of swords the main concept was the same throughout history to protect and defend in the above mentioned scripture the sword was used as a symbol of the word of god a proper sword in its making was tempered very carefully meaning that it was heated at a certain temperature beaten into form by a sword smith on an anvil and cooled at a predetermined degree to ensure its effectiveness the reason for fashioning the sword in this manner was to ensure that when the combatant entered into

battle the sword would be able to withstand all the attacks of their adversary by absorbing the shock of their weapons without shattering even so when we re engaged in spiritual warfare we cannot afford to have our emotions interfere with the operation of the spiritual weaponry it is not the word of god that ever falters but when one deals in unrighteousness such as forgiveness and bitterness these character flaws causes the word to become ineffective in our hands just as the natural sword has to be tempered for effectiveness in battle in like manner we too must be tempered by bringing our bodies into subjection to the will of god not being tempered enough in our selves gives the allusion that the sword is not pliable however it is we that are unstable and when the word is not activated in our lives this causes us to break as well often times when dealing with conflict it may be difficult to discern who is telling the truth because the parties having the conflict are both liked in their circle of associates before there were lie detectors there was god giving the discerning of spirits and the word of knowledge to help bring about truth the sword is also a discerner of the thoughts and intentions of the heart let me share a story with you about a boy who said to a girl friend of his i will give you all of my marbles if you give me all of your candy so the night before the exchange the boy took out some of his favorite marbles the next morning the exchange was made but the young man was unsettled all day the question is why was he unsettled the reason was the boy had taken out some of his favorite marbles and was wondering if the girl had taken out some of her favorite candy the truth is if the girl had asked the boy if he had given her all the marbles and he said yes he would have lied the sword of solomon will teach you how the word enables you to become more sensitive in the spirit to rightly divide who is dealing with truth and who is dealing in deceit the sword as a discerner of truth is able to pinpoint whether something is proceeding out
