The Audacity of God's Power 2009 how much worse could it get for me after several failed marriages unemployment and the threat of losing my house a few years ago i had to turn to god for a 911 intervention at that point in time i just lost my job and my ex wife had just moved out with all her furniture including the accessories and mattress i thought i had reached my limit but with gods grace i bounced back and refused to be defeated one of the greatest lessons learned then is to stay faithful to god hold on to him because he s the only one that could help me throughout my days in the wilderness the audacity of gods power shows how toughness of a man or woman cannot be measured through their physical stature but rather the ability to stay strong and reach out to god for assistance challenges are inevitable they are like the weather or a season no matter how undesirable they appear at one point a better one will surely replace the not too great ones as for me it was my willingness to ask for gods help that ultimately saved me and allowed him to go the extra mile for me and my family

question from a biblical perspective it becomes clear god is the center of the universe its all about him this awareness conflicts with many of the assumptions at work in todays culture a licensed psychologist dr brittell came across the question what is it all about in many forms people are searching for meaning and attachment sometimes in all the wrong places the loss of selfresulting from anxiety depression and other disordersis not only a personal loss but a cultural loss as well for christians there are answers in the bible many have no idea how or where to find them those who are unfamiliar with christian principles may have no idea where to begin looking for the answers in reading its all about him you will find principles that were established at the time of creation and have continued to this day your sense of self worth and purpose are found in relationship with god finding god in a world full of noise clutter and fantasies is not always easy but it is always simple an excellent study for a small group setting rev rich latta pastor dinuba presbyterian church

Writing to God: Kids' Edition 2012-03-01 god wants your whole heart so let him have it does your relationship with god feel stale and predictable do you struggle to find the time and energy for prayer then perhaps you re being too polite with god if your prayers lack passion and honesty then god may be as bored as you are guarded and religiously correct prayers might sound nice but to god they sound half hearted he wants you to pray with freedom boldness and raw honesty the prayers we find in the psalms run the gamut from awed worship to stunned silence to doubt desperation and rage david and others like him had no time for safe sanitized prayers they wrestled with god when they prayed with no holds barred starting today you can enjoy an energizing intimacy with god no holds barred will help you plunge deeper into different types of prayer asking thanking praising and confessing it also will lead you into new forms of praying prayers of desperation and doubt prayers that question god s apparent slowness prayers that demand answers these are the prayers that hold your attention and that capture god s attention don t wait any longer to begin a rich new conversation with god

It'S All About Him 2014-01-24 as christians we believe that god always answers our prayers but we don t always get the answers we want popular catholic author woodeene koenig bricker has discovered a prayer that asks god for gifts that he wants to give us and our lord s answers will delight us the prayer written by the beloved seventeenth century st alphonsus liguori asks god for five graces forgiveness wisdom a share in divine love confidence in the merits of jesus and the intercession of mary and perseverance koenig bricker expands our understanding of each of these graces explaining their meaning with teaching and scripture and providing illustrations of their power with personal testimony and stories a book that will inspire both beginners and those experienced at prayer a conversation starter for catholics involved in the new evangelization an ideal gift for any occasion

No Holds Barred 2010-06-30 this book was written with the intention of encouraging all who read it to develop and or increase the level of relationship with god and to invite them to as the bible says taste of the lord and see that he is good while writing i found myself remembering many of the things that god has done in my life and in the lives of my family this has increased my appreciation for and of god and his blessings in our lives writing this has also served to increase my own faith and has given me a deeper resolve in my walk with god and to seek him on every level of life my prayer is simply that god receives the most out of this effort and that this book helps everyone who reads it to god be all of the glory and all of the praise he truly is the king of kings and the lord of lords i thank god for giving me the time and the words to write this book and may all who read it be truly blessed in jesus name amen
