exam copy bad link above would you teach someone to play basketball using just chalkboard
diagrams or would you get them on the court and have them play in basketball the answer is
easy bad you do both so why teach politics only as a spectator sport senator bob graham
believes that students should expand on their classroom learning about the political system he
spurs them to hit the court and actually play the game if students work on an issue they care
about politics will become a meaningful and positive experience this short how to guide takes
students out of theoretical discussions of policy and into a world where they can affect
change graham bad s goal is to have students identify a problem and then walk them through
each step from researching the issue to getting others involved to engaging the media each
chapter starts with a real case showing citizens tackling a step in the process and ends with
