Gender and Information Technology: Moving Beyond Access to Co-Create Global Partnership

2008-09-30

first published in 1985 the handbook for achieving gender equity through education quickly established itself as the essential reference work concerning gender equity in education this new expanded edition provides a 20 year retrospective of the field one that has the great advantage of documenting u s national data on the gains and losses in the efforts to advance gender equality through policies such as title ix the landmark federal law prohibiting sex discrimination in education equity programs and research key features include expertise like its predecessor over 200 expert authors and reviewers provide accurate consensus research based information on the nature of gender equity challenges and what is needed to meet them at all levels of education content area focus the analysis of gender equity within specific curriculum areas has been expanded from 6 to 10 chapters including mathematics science and engineering global diversity focus global gender equity is addressed in a separate chapter as well as in numerous other chapters the expanded section on gender equity strategies for diverse populations contains seven chapters on african americans latina os asian and pacific island americans american indians gifted students students with disabilities and lesbian gay bisexual and transgender students action oriented all chapters contain practical recommendations for making education activities and outcomes more gender equitable a final chapter consolidates individual chapter recommendations for educators policymakers and researchers to achieve gender equity in and through education new material expanded from 25 to 31 chapters this new edition includes more emphasis on male gender equity and on sexuality issues special within population

gender equity challenges race ability and disability etc coeducation and single sex education increased use of rigorous research strategies such as meta analysis showing more sex similarities and fewer sex differences and of evaluations of implementation programs technology and gender equity is now treated in three chapters women s and gender studies communication skills relating to english bilingual and foreign language learning and history and implementation of title ix and other federal and state policies since there is so much misleading information about gender equity and education this handbook will be essential for anyone who wants accurate research based information on controversial gender equity issues journalists policy makers teachers title ix coordinators equity trainers women s and gender study faculty students and parents

Business and Professional Communication

2023-02-14

gender politics and society in ukraine is the first collection to examine how political social and economic transitions in post communist ukraine are transforming gender roles and relations within the country leading western and ukrainian scholars and practitioners address a wide range of effects associated with and reinforced by these transitions including the breakdown of the general welfare system the lack of progress in the development of the healthcare system gender inequality in political representation the patriarchal nature of nation building human trafficking domestic violence changing conceptions of fatherhood and masculinity homelessness and lgbt issues from a variety of methodological and disciplinary perspectives gender politics and society in ukraine is particularly innovative in its exploration of both women s and men s experiences and the ways in which gender relations shift over time in societies undergoing transitions to democracy as such this volume furthers the understanding of the complex obstacles and challenges of working towards gender equality in evolving democracies and identifies future priorities for research politics and policy development

Activities for Teaching Gender and Sexuality in the University Classroom

2013-04-26

this volume brings together diverse cross disciplinary scholarly voices to examine gender construction in children s and young adult literature it complements and updates the scholarship in the field by creating a rich cohesive examination of core questions around gender and sexuality in classic and contemporary texts by providing an expansive treatment of gender and sexuality across genres eras and national literature the collection explores how readers encounter unorthodox as well as traditional notions of gender it begins with essays exploring how children s and ya literature construct communities formed by gender ethnicity sexuality and in face to face and virtual spaces section ii s central focus is how gendered identities are formed unpacking how texts for young readers ranging from amish youth periodicals to the blockbuster divergent series trace reproduce and shape gendered identity socialization in section iii the essential literary function of translating trauma into narrative is addressed in classics like anne of green gables and pollyanna as well as more recent works section iv s focus on sexuality and romance encompasses fiction and

nonfiction works examining how children's and young adult literature can serve as a regressive progressive and transgressive site for construction meaning about sex and romance last section iv offers new readings of paratextual features in literature for children from the classic tale of cinderella to contemporary illustrated novels the key achievement of this volume is providing an updated range of multidisciplinary and methodologically diverse analyses of critically and commercially successful texts contributing to the scholarship on children's and YA literature gender sexuality and women's studies and a range of other disciplines

Handbook for Achieving Gender Equity Through Education

2014-05-22

reworking gender is a remarkable analysis of the intersections of discourse gender and organizing that not only addresses contemporary metatheoretical concerns but also illuminates these issues with archival and interview data reworking gender systematically lays out arguments for the importance of work in our field for communication's connections with and potential contributions to related disciplines and for possible ways in which researchers can continue to challenge boundaries between presumably incommensurable discourses without a doubt reworking gender will prove to be a landmark book in feminist critical cultural organization studies and organizational communication theorizing patrice m buzzanell purdue university reworking gender a feminist communicology of organization examines the place of gender and feminist scholarship in contemporary critical organization studies departing from the common view of gender as a specialized branch of organization scholarship authors dennis k mumby and karen lee ashcraft reposition feminism in a communication centered model that integrates recent developments in feminist critical and postmodern organizational studies linking theory to practical projects the authors address many of the complex and often contradictory concerns of critical organizational scholarship including issues of discourse subjectivity power race and class in a compelling and timely fashion this important volume explores gendered organization studies in the wake of the discursive turn the dynamic relationship between gender and organization the social construction of gendered work identities the intersection of gender race sexuality and class the dialectical relation of power and resistance with its interdisciplinary approach reworking gender a feminist communicology of organization will be of significant interest to scholars and graduate students in such fields as organizational communication management and organization studies sociology and gender studies
