a taste for the finest in material things produced a delicate wife two children and a more than adequate job however his craze for success consumed his focus and overpowered his value system jed played poker and won a national championship his fame spread he also won a trucking company in a challenge match game with a fool the win allowed him to move from being a small executive fish in a big pond to being the big top fish in a small pond and he loved it failure with his family life further twisted his values he took his wifes sister as a mistress and they produced a male child that remained a phantom until his death jed fought his demons while dancing between card games and union contracts eventually the grim reaper cornered him in his penthouse hotel room paralyzed and dying a witness who knew him as a kind generous and thoughtful man described him at the funeral as a marvel of a man nevertheless most doubted the description wondering was he good or bad or both
