Bibliography of the International Court of Justice 2022 this publication contains bibliographical details of works concerning or making reference to the international court of justice that were published between 2014 to 2016 and received by the registry of the court

Postwar Continuity and New Challenges in Central Europe, 1918–1923 2021-09-30 this book presents a multi layered analysis of the situation in central europe after the collapse of the austro hungarian empire the new geopolitics emerging from the versailles order and at the same time ongoing fights for borders considerable war damage social and economic problems and replacement of administrative staff as well as leaders all contributed to the fact that unlike western europe central europe faced challenges and dilemmas on an unprecedented scale the editors of this book have invited authors from over a dozen academic institutions to answer the question of to what extent the solutions applied in the habsburg monarchy were still practiced in the newly created nation states and to what extent these new political organisms went their own ways it offers a closer look at central europe with its multiple problems typical of that region after 1918 organizing the post imperial space a new political discourse and attempts to create new national memories the role of national minorities solving social problems and verbal and physical violence expressed in public space particular chapters concern post 1918 central europe on the local state and international levels providing a comprehensive view of this sub region between 1918 and 1923

Maritime Issues in the South China Sea 2013-10-31 south china sea scs issues are complex and dynamic ranging from historic claims to present day military occupation from military security to regional stability from rhetorical appeasements to national interests from intraregional competition to extraregional involvement the submissions made in 2009 by several southeast asian states to the united nations commission on the limits of the continental shelf clcs respecting outer limits of extended continental shelves beyond 200 nautical miles in the south china sea resulted in renewed attention to the maritime disputes over the insular features and the waters of the south china sea among several claimant states questions have resurfaced about the future of cooperation in the region furthermore the improvement of cross strait relations between taiwan and china after 2008 has added a new element to the evolution of south china sea issues this book describes these recent developments in depth and provides an examination of possible future developments in the south china sea the articles in this book were originally published as special sections in *ocean development international law*

Yearbook International Tribunal for the Law of the Sea / Annuaire Tribunal international du droit de la mer, Volume 19 (2015) 2022-08-15 the international tribunal for the law of the sea is an autonomous judicial body established by the united nations convention on the law of the sea to adjudicate disputes arising out of the interpretation and application of the convention the tribunal is open to states parties to the convention it is also open to entities other than states parties states and international organizations non parties to the convention and natural or juridical persons in cases provided for in the convention or other agreements conferring jurisdiction on the tribunal le tribunal international du droit de la mer est un organe judiciaire indépendant créé par la convention des nations unies sur le droit de la mer pour connaître des différends relatifs à l'interprétation et l'application de la convention le tribunal est ouvert aux états parties à la convention il est également ouvert à des entités autres que les états parties états et organisations internationales non parties à la convention et personnes physiques et morales dans les cas prévus par la convention ou par d'autres accords conférant compétence au tribunal

Essays on the New Law of the Sea 2 1990 this series brings together the most significant published journal articles in international law as determined by the editors of each volume in the series the proliferation of law specialist journals the increase in international materials and the use of the internet has meant that it is increasingly difficult for students and legal scholars to have access to all the relevant articles many valuable older articles are unable to be obtained readily in addition each volume contains an informative introduction which provides an overview of the subject matter and justification of why the articles were collected this series contains collections of articles in a manner that is of use for both teaching and research

Law of the Sea 2017-07-05 leading scholars of international law and international relations explain the wave of regional disputes that arose in the 1990s over fish stocks that straddle both national waters and the high seas

Governing High Seas Fisheries 2001 in the regime of islands reframed clive schofield examines the definition of islands and other insular features under the international law of the sea with particular reference to the south china sea case between china and the philippines which has served to reframe understanding of this contentious area of international law

The Regime of Islands Reframed 2021-02-08 this book contains a collection of essays by leading experts linked to the outstanding characteristics of the scholar in honour of whom it is published tullio treves who combines his academic background with his practical experiences of a negotiator of international treaties and a judge of an international tribunal it covers international public and private law related to international courts and the development of international law under article 38 of its statute the international court of justice can apply judicial decisions only as a subsidiary means for the determination of rules of law however there are many reasons to believe that international courts and tribunals do play quite an important role in the progressive development of international law there are a number of decisions which are inevitably recalled as the first step or a decisive step in the process of the formation of a new rule of customary international law in these cases can the judge be considered as a subsidiary of others are these cases compatible with the common belief that a judge cannot create law is this a peculiarity of international law which is characterized by the existence of several courts but the lack of a legislator do decisions by different courts lead to the consequence of a fragmented international law this volume provides the reader with an elaboration of various questions linked to the legislative role of courts in their choices of subjects some contributors have taken into account the general aspects of the development of international rules through court decisions or specific sectors of international law such as human rights international crimes international economic law environmental law and the law of the sea others have chosen the subject of the rules on jurisdiction and procedure of international courts the question of the courts role in the development of areas of law different from public international law namely private international law and european union law has also been considered the information and views contained in this book will be of great value to academics students judges practitioners and all others interested in the public and private international law aspects of the link between international courts and the development of international law

International Courts and the Development of International Law 2013-03-15 who or what is entitled to act on the international plane where should responsibility for violations of international law lie what sort of entities are capable of possessing international legal rights what is the status of individuals minority groups non governmental bodies international organisations and animals in the international legal order and how has their status shifted over time international legal personality contains fourteen articles that address these and related questions in historical and contemporary writings international lawyers grapple with the nature of legal identity and confront global distributions of authority and responsibility as they explore who or what is a person in the international legal order these essays document the emergence of an international legal order increasingly conceived in terms of patterns and probabilities rather than as the stagecraft of a small company of permanent players

International Legal Personality 2017-07-05 this fully revised new edition offers a comprehensive picture of the law of maritime delimitation incorporating all new cases and state practice in this field as with all types of law the law of maritime delimitation should possess a degree of predictability on the other hand as maritime delimitation cases differ flexible considerations of geographical and non geographical factors are also required in order to achieve equitable results how then is it possible to ensure predictability while taking into account a number of diverse factors in order to achieve an equitable result this is the question

at the heart of the law of maritime delimitation this book explores a well balanced legal framework that reconciles predictability and flexibility in the law of maritime delimitation by looking at three aspects of the question first it reviews the evolution of the law of maritime delimitation second it undertakes a comparative study of the case law and state practice and third it critically assesses the law of maritime delimitation in its current form

Predictability and Flexibility in the Law of Maritime Delimitation 2019-11-14 presenting up to date case law and a freshly updated bibliography this second edition of the law of treaties is a valuable addition to contemporary international law scholarship it offers much needed clarity on complicated legal cases and questions while maintaining a highly readable style

The Law of Treaties 2023-07-01 the yearbook provides information on the composition jurisdiction procedure and organization of the tribunal and about its judicial activities in 2017 | annuaire fournit au public des informations sur la composition la compétence la procédure et l'organisation du tribunal ainsi que sur les activités judiciaires menées par celui ci en 2017

Yearbook International Tribunal for the Law of the Sea / Annuaire Tribunal international du droit de la mer, Volume 21 (2017) 2021-05-25 the book explores the effects of armed conflict and international humanitarian law on the interpretation and application of investment treaties

The Effects of Armed Conflict on Investment Treaties 2022-08-25 the first edition of professor yoshida s monograph the international legal régime for the protection of the stratosphere ozone layer provided a renowned and comprehensive contemporary study of the international ozone régime in the second revised edition the author analyses important developments in the ozone treaty régime

The International Legal Régime for the Protection of the Stratospheric Ozone Layer 2018-11-29 this book analyses a selection of challenges in the implementation and application of the 1982 un convention on the law of the sea unclos focusing on several areas international organizations fisheries security preserving marine biodiversity dispute settlement and interaction with other areas of international law unclos has been described as the constitution for the oceans it sets out the fundamental rights obligations and jurisdictions of states regarding the access to uses and management of the oceans and seas and their resources it balances states diverse and sometimes conflicting interests such as conflicting uses of space against navigational interests and the protection of the marine environment unclos is the first global treaty to include comprehensive obligations on the protection and preservation of the marine environment including the conservation of living marine resources these are often common or cross border challenges which can only be addressed through international cooperation the book is divided into three thematic parts the first concerns the role of international organizations in ocean governance it includes twelve chapters covering a very diverse set of issues both materially and geographically that demonstrate the importance of coordinated actions on the part of multiple states for obtaining harmonized solutions regarding the pursuit of activities in maritime spaces in connection with e g navigation fisheries or maritime security the second part concerns the relevance of dispute settlement mechanisms for understanding the international law of the sea and the international legal framework within which the actions of the great maritime powers take place it is composed of three chapters examining stakeholders role in dispute settlement the position taken by china and the russian federation regarding international

litigation in maritime spaces and how the south china sea award may be relevant to the debate on the international legal concepts of rock and island in turn the third part addresses current discussions on the conservation and sustainable use of marine biological diversity of areas beyond national jurisdiction its seven chapters report on the status quo of the ongoing negotiations for a new international legal regime of the high seas and the establishment and operationalization of environmental regimes for international maritime spaces

Global Challenges and the Law of the Sea 2020-05-23 challenges of the changing arctic continental shelf navigation and fisheries is part of a series of publications on oceans law and policy associated with the center for oceans law and policy university of virginia

Challenges of the Changing Arctic 2016-03-31 written by an incumbent judge of the international tribunal for the law of the sea this book provides a unique insight into the development and functioning of itlos

The International Tribunal for the Law of the Sea 2021-01-21 this rich collection focuses on the broad research interests of professor nico schrijver in whose honour it was created written by a wide range of international scholars affiliated with leiden university s grotius centre for international legal studies the essays reflect professor schrijver s important contribution to academia and practice particularly in the fields of sovereignty human rights and sustainable development the authors aim to reflect on changes in international law and on new developments in the diverse fields they explore furthering frontiers is the research theme of the grotius centre its exploration in this thought provoking volume is a fitting homage to nico schrijver s achievements on the occasion of his retirement as chair of public international law of leiden university

Furthering the Frontiers of International Law: Sovereignty, Human Rights, Sustainable Development

2021-07-19 this is the first study to provide both a systematic assessment of the ways by which the dispute settlement bodies of the united convention on the law of the sea unclos contribute to the development of the law of the sea and an exposition of the factors that explain such contribution the book analyses unclos dispute settlement bodies decisions and the legal reasoning in key areas of the law of the sea it further examines the factors that impact the decision making process of unclos tribunals to explain the parameters within which unclos tribunals operate and how this impacts their ability and willingness to develop the law the book provides a unique reference point for lecturers researchers and students of international law particularly law of the sea as well as practitioners and government advisors who wish to gain comprehensive insights into the functioning and the role of the unclos dispute settlement system

The Development of the Law of the Sea by UNCLOS Dispute Settlement Bodies 2023-02-09 in the breach of a treaty state responses in international law maria xiouri examines the relationship between responses to the breach of a treaty namely between the termination of the treaty or the suspension of its operation and countermeasures

The Transformation of Private Law – Principles of Contract and Tort as European and International Law

2021-03-15 the yearbook provides information on the composition jurisdiction procedure and organization of the tribunal and about its judicial activities in 2019 l annuaire fournit au public des informations sur la composition la compétence la procédure et l organisation du tribunal ainsi que sur les activités judiciaires menées par celui ci en 2019

The Breach of a Treaty 2020-10-12 this book brings together three distinct areas of international law namely environmental heritage and ocean law to address the international legal protection of historically significant wrecks with particular focus on the environmental hazards they may pose the confluence of heritage law and the law of the sea with international environmental law represents an important development in international governance strategies for the twenty first century in particular those legal and administrative regimes that concern the world s oceans and underwater cultural heritage protection importantly connections between international legal regimes such as the 1982 law of the sea and institutions like the international maritime organisation imo and united nations education scientific cultural organisation unesco can play a crucial part in governance strategies that involve the regulation of marine pollution and historic shipwrecks

Yearbook International Tribunal for the Law of the Sea / Annuaire Tribunal international du droit de la mer, Volume 23 (2019) 2023-01-01 an in depth analysis of the remedies of international law used by the international court of justice to resolve inter state disputes

International Law of Underwater Cultural Heritage 2021-03-11 volume 12 of the eyiel focuses on the future of dispute settlement in international economic law while new forms of dispute settlement are emerging others are in deep crisis the volume starts off with reflections on dispute settlement and the world trade organisation most prominently the crisis of the appellate body but also addressing international intellectual property law and the african continental free trade area this is followed by a section on dispute settlement and investment protection international investment law which includes articles on the summary dismissal of claims the margin of appreciation doctrine the use of conciliation to settle sovereign debt disputes and contract based arbitration in light of achmea and hagia sophia at icsid further contributions consider the emerging role of commercial courts the dejudicialization of international economic law dispute settlement in the uk eu withdrawal agreement reference mechanisms in dispute resolution clauses and unclos

Remedies before the International Court of Justice 2022-07-06 the belt and road initiative and the law of the sea offers insightful discussions on the use of oceans in the context of the belt and road initiative covering navigational safety marine energy and sea ports maritime law enforcement and access of landlocked states to the sea

European Yearbook of International Economic Law 2021 2020-03-02 this work examines the constitution jurisdiction and procedure of the international tribunal for the law of the sea on the basis of its statute and rules as well as the resolution on the internal judicial practice and the guidelines concerning the preparation and presentation of cases it gives a critical analysis of the role of the tribunal in the settlement of law of the sea disputes the articles were previously published in the indian journal of international law and are revised edited and updated for this edition the contributors are sitting judges of the tribunal and the book thus gives a perfect insider s view of the law and practice of the tribunal

The Belt and Road Initiative and the Law of the Sea 2001-07-06 this volume covers a variety of topics in the fields of the law of the sea and the protection of the environment
