Pruning in Timbered Stands

2003

customizada para a rede de franquias casa do construtor a publicação traz informação técnica sobre o mercado da construção civil e aluguel de equipamentos propiciando segurança e melhor desempenho para os profissionais do setor como pedreiros pintores arquitetos engenheiros paisagistas entre outros os guias são colecionáveis e distribuídos nas mais de 200 unidades da casa do construtor além de feiras e eventos do setor e para um mailing dirigido

Boating

1988

this timely work examines one core corporate function that has a profound and direct impact on corporate environmental performance manufacturing and operations this area has been of concern in recent years to researchers and practitioners in fields ranging from the social and natural sciences to management and technical engineering the book reflects this diversity with global contributions on topics such as design for the environment total quality environmental management green supply chains reverse logistics environmental management systems and standards industrial ecology closed loop manufacturing life cycle management pollution prevention p2 environmental technologies and energy efficiency the aim and scope of greener manufacturing and operations is to capture state of the art and future practices in environmental manufacturing and operations practices and issues in one concise volume the book is therefore a fluid mix of case studies empirical research and applied theoretical works incorporating both conceptual ideas whose time will come to practical

applications which managers and practitioners can apply immediately comprehensive in its coverage of the key issues contributions range from a focus on the internal operations of a single function within an organization to a consideration of industrial manufacturing practices from a macro economic level a number of levels of decision making are also represented from long term strategic issues such as supply chain design to traditional short term operations decision making and planning issues such as production planning many of the principles developed and presented here can also be extended to the more general process management of service organizations the book is organized into four major sections operations strategy and policy manufacturing and operations practice tools for managing greener operations and manufacturing and finally case studies greener manufacturing and operations will be an essential aid for managers engineers students researchers and consultants wishing to understand the various issues principles and tools for managing the operations and manufacturing function in a more environmentally benign and sustainable manner

Callaghan's Official Wisconsin Reports

1996

there cannot be a hunter and angler who has not at some time or other daydreamed about building his or her own camp hunting fishing camp builder s guide provides the concepts plans and know how to turn a daydream into a reality monte burch applies decades of how to skills to describe the ins and outs of design and construction from the cabin to the furniture inside you can do it all yourself and create the camp or lodge of your dreams skyhorse publishing is proud to publish a broad range of books for hunters and firearms enthusiasts we publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival we publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands

duck blinds bowhunting wing shooting hunting dogs and more while not every title we publish becomes a new york times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
