we have tried to present an overview of one hundred year old movie history all over the world which has both positive and negative aspects for the creator and the viewer this is especially true of the three leading commercial centersbollywood bombay hindi movies hollywood usa and japan images moved in 1892 and

teammate-levelup.mombaby.com.tw

started talking in 1923 in the jazz singer hollywood it has remarkable achievements both on epic and offbeat levels they cast a hypnotic spell and emotional bonding of the viewers with the star performers and singers the identification with the character and their predicament is the magnetism which is unparalleled compared to other arts like literature painting music etc movies combine all the three major art forms besides the charisma of the stars but it has its flip side also like the dark space between stars littered with broken hearts and lives and the questionable impact of the crass commercial movie with an eye on profit at any cost however we can make it more powerful and positive the book is an exciting romp through the stellar world of movies and their creators
