a behind the scenes analysis of 21 essential leadership principles from the life of billy graham billy graham looms large as one of the twentieth century s most influential and innovative leaders most people are unaware of his remarkable effectiveness as not only preacher and pastor but as a ceo and a global leader as well the leadership secrets of billy graham is full of transferable applications for leaders in the church parachurch academia government and business lively interviews with his closest associates illustrate 21 principles that have driven six decades of visionary impact first hand accounts reveal stories of courageous leadership and growth through painful lessons graham s relentless application of core beliefs and leadership principles have resulted in among many honors being listed in gallup s ten most admired men thirty times more than anyone else time magazine named him one of the top ten leaders of the twentieth century this book asks how did this happen what are the essentials he embraced to achieve such extraordinary results what can we learn from him and apply to our own leadership roles this book is dedicated to those readers who sense the pressing need in today s world for inspired leadership who rise to leadership s high calling and are willing to carry its weight who are determined to deepen and expand their capacities and effectiveness this book with the legendary leader king arthur shows you how to transform a geographically distributed team that s falling short of its goals into a virtual work group that gets results in this dynamic and practical guidebook best selling author and national known motivational speaker mike murdock points you directly to jesus the ultimate mentor he outlines the leadership secrets of jesus and counsels you to put them into action the 20th century is over in this the 21st century effective leadership skills are required by anyone who plays a leadership role in life such as parents teachers clergy politicians doctors coaches supervisors even ceos of major corporations in this bold new view of leadership you will find 140 secrets that will help you be an extraordinary leader learn to put people first by making everyone feel respected trusted and valued discover ways to ensure that your messages are well understood and accepted women are better leaders than men so help them prove it put veterans on your team because they have all the skills needed to be responsible contributors and effective leaders learn how to deal better with mistakes and failures and much much more full of powerful ideas and practical guidance this book is an invaluable tool that ensures success for everyone no matter their leadership role in life foreword by dave o brien best selling author of the navigator s handbook when it comes to the most anticipated business books of 2019 win or die leadership secrets from game of thrones is the one to beat inc a guide to leading without losing your head inspired by the bestselling books and smash television series game of thrones when you play the game of thrones you win or you die there is no middle ground cersei lannister one of the great joys of game of thrones is strategizing what bold moves you d make in this bloody volatile world from the comfort of your living room and one of the great terrors of being a leader is knowing your real world can be just as brutal and offices bring no comfort every day you re presented with opportunities and challenges and must decide which roads to follow which risks to confront when to deny an opportunity and when to pursue the call to adventure and you won t know whether you ll profit or fail while you re in the thick of it in win or die leadership secrets from game of thrones bruce craven brilliantly analyzes the journeys of the best and worst leaders in westeros so that leaders can create their own narratives of success craven considers beloved characters such as ned stark jon snow daenerys targaryen and tyrion lannister as they make terrible decisions and fatal mistakes but also achieve incredible victories and surprising successes learning and growing along their often bloody ways readers will learn how to face conflict and build resilience develop contextual and emotional intelligence develop their vision and more this entertaining and accessible guide will show readers how to turn danger into opportunity even when dragons threaten 29 leadership secrets from jack welch follows in welch s footsteps boiling the legendary ceo s leadership successes down to 29 strategies that made ge the world s most competitive company and welch the world s most successful and admired ceo the leadership secrets that experts and top professionals use explains how the legendary military commander s principles of leadership can be applied to contemporary business situations in the 90s management insights culled from the mahabharata the mahabharata one of the greatest books of all time is not simply the story of a fratricidal war or a fount of wisdom for philosophers it is also a comprehensive manual on strategy from this storehouse of knowledge meera uberoi selects the most pertinent shlokas to reveal the secrets of leadership and the path to success she shows that the mahabharata is equal if not superior to other management bibles such as the art of war the prince and go rin no sho the book of five rings the aphorisms in leadership secrets from the mahabharata have been selected from the santi parva the bhagvad gita parva and the adi parva as bhisma lies dying on the battlefield of kurukshetra krishna realizes that with bhisma s death the world will lose all knowledge to prevent this krishna asks him to impart to yudhisthira all he knows these teachings coming as they do from bhisma the wisest of them all contained in the santi parva form the core of uberoi s book apart from detailing how to apply the craft of kingship to modern business practices the book also explores the analogy between kingship and leadership pithy and insightful meera uberoi s selection is a practical guide to leadership in any field of life the aphorisms grouped under heads like duty war espionage and conduct deal with eternal values and truths that are as relevant today as they were 3 000 years ago this book reveals valuable secrets for successful leadership of your men s or women s small group in this book you will find tools to improve your skills as a leader and help you build a leadership team you do not have to know all the answers to lead a small group a more important approach to leading others is to make yourself available to be used by god for his glory as you serve the members of your group with proper training and a humble positive attitude god will use an eager available servant every time learn to surrender to his plan we all have abilities talent and gifts just waiting to be uncovered and tapped for service to god the secret is to trust god to develop you

as you learn key ingredients to mentoring others in today's society in our fast-paced stressful lives people are hungry to relate to others in a honest and safe group environment in reading this book you will learn the hidden treasures of group leadership and you can play an important part in helping others grow and lead healthy hopeful god-centered lives step forward and allow yourself to be used by god learning to lead your small group and mentoring those you touch along the way life and leadership lessons from the special forces from the stars of channel 4 series sas who dares wins including sunday times bestselling author of first man leading from the front ant middleton are you up to the challenge of sas leadership only the best will succeed britain's sas special air service has an unparalleled reputation for soldiering excellence their skills and techniques have been perfected in the most demanding environments imaginable but many of these can also be used in our everyday lives this book takes situations all of us will experience during our lives and presents tactical lessons drawn from sas training and battlefield experience its four authors stars of the hit channel 4 show sas who dares wins how their finely honed understanding of how to handle extreme challenges can be applied in any environment their advice on negotiation people management self motivation and resilience among other things can transform your performance in a whole range of scenarios from buying a house nailing a job interview and the experience of dealing with rejection to maintaining a diet or managing that pushy colleague at work this is the ultimate guide to leadership and personal achievement the book of proverbs is a cornucopia of practical wisdom on a variety of topics the insights and truths covered in this book of ancient hebrew wisdom literature run the gamut including the nature of true wisdom and understanding vices and virtues relationships and roles priorities planning for the future how to communicate and how to manage one's resources in recent decades the book of proverbs has increasingly become the focus of attention for christians who wish to live lives more in tune with god's principles in particular christian thinkers have begun to correlate biblical principles with the study of effective leadership yost examines the subject of godly leadership by using the book of proverbs as his springboard this is a scholarly yet deeply devotional study of the leader's priorities the leader's plans and the leader's speech once you have read this book you will never look at the book of proverbs or the subject of leadership the same way again would you like to apply the secrets that top motivational leaders from zig zlgar to tony robbins and from oprah winfrey all the way to mother teresa have successfully applied in their lives imagine being able to motivate people regardless of age status personality or even skillset would you like to discover and implement these secrets in your life beginning today then this is the ebook for you as you come on this journey with dawn jones and explore these three secrets you will see your power influence and ability to motivate people to action begin to increase starting right now internationally acclaimed speaker and author dawn jones presents three leadership secrets revealed 3 success methods to motivate people to action 1 learn how top leaders clearly communicate every time 2 discover how to motivate even the most stubborn people 3 obtain this secret to ensure your meaning is never misinterpreted 4 pinpoint how to improve your quality of life and relationships 5 take control of the power difficult people have in your life 6 acquire the skills to motivate people towards your goals 7 recognize how inspiring people inspire those around them you will learn the secrets of motivating people to action discover how to put your personality to work for you and one of these secrets will even show you how to eliminate one of the biggest time wasters in your life all while helping you clearly communicate your message consistently so that other people get what you're saying and move towards your goals and objectives while reaching theirs proven strategies and techniques to handle any leadership challenges from ceos to middle management to shift leaders effective management and leadership skills are some of the most overlooked and demanding talents that you can ever acquire now more than ever they are a necessary tool of today's success and tomorrow's opportunities many otherwise qualified people are held back because they lack the essential know-how and proven techniques that are indispensable not only in achieving success but maintaining upward mobility as well the little black book of leadership secrets will show you how to accomplish more with less by developing self leadership in others this short powerful and focused model for developing management and leadership skills will help you and those around you through mastering topics such as solutions to management problems dividing and conquering problems management versus leadership leading others to lead themselves what catastrophism is and how to avoid it effective reprimanding and praising treating the cause of the problem not the symptoms the two can't rules championing good causes cutting your losses dealing with time wasters recruiting interviewing and hiring made easy benefitting from employee input and feedback keeping the odds in your favor effective management and self leadership skills can be easily learned and applied volume i of the little black book of leadership secrets will show you how to gain better results and greater success through others after all it's people who are responsible for getting everything done in the workplace people are the greatest resource in any organization and ultimately the best place to invest until now leadership has always been viewed as the purview of a select few it seems to be more about the what these leaders want their subjects to do rather than the how to that's a mistake says vinay nadig in this persuasive and pragmatic new book vinay makes a case that a leadership is accessible to anyone and b leadership is a set of sustainable daily behaviors he lays out a practical and instantly usable leadership launch platform in the form of 20 leadership secrets or techniques these 20 secrets are the foundation of leadership as a way of life the only real way to perform at an exceptional level read what marshall goldsmith 2 million selling author of the new york times bestseller mojo and what got you here won't get you there has to say about leadership is for everyone in leadership is for everyone vinay lays out a vision to achieve exceptional performance and achieve fulfillment at work his core tenets of doing things rather than being somebody of sustainable behaviors rather than a belief in hierarchy and title hit the mark in today's workplace using a practical workbook like approach vinay leads you through the process of establishing yourself as a leader and then launching into the highest levels of leadership where you focus not just on yourself but in transforming others if you are looking to take your performance to the next level and achieve not just your goals but true fulfillment then reading and using the 20 leadership secrets he shares in this book will prove invaluable when we wait for things to happen to us we lose when we accept the mantle of leadership we can ignite our

performance and fuel our success use vinay s leadership secrets to recharge your enthusiasm and redirect your actions back to what really works short snappy and packed with powell s depth and spirit it will help people inspire anyone including themselves to extraordinary performance the leadership secrets that experts and top professionals use jenghis khan diakui sebagai pemimpin terbesar yang pernah ada semasa remaja ia menjadi orang buangan melarikan diri dari musuh musuhnya dan bersembunyi di sebuah gunung di mongolia utara seorang asing seorang yang tak berarti namun jenghis hanya butuh dua puluh tahun untuk membangun kekaisaran darat terbesar dalam sejarah empat kali ukuran wilayah kekuasaan alexander agung dua kali ukuran kekuasaan romawi bagaimana dia melakukannya pelajaran apa yang terungkap dari kehidupannya mengenai kepemimpinan apa yang dimaksud dengan kebesaran dalam kepemimpinan sifat apa saja yang melekat dalam diri jenghis khan mungkinkah sifat sifat itu diterapkan di masa dan tempat berbeda di sini dan saat ini john man mempelajari kehidupan jenghis khan untuk menemukan kualitas karakter dan strategi yang membuat dia menjadi pemimpin besar jawabannya kadang mencengangkan jauh dari sekadar menjadi tiran sebagaimana tergambar dalam sejarah jenghis khan merupakan sosok pemimpin yang memiliki visi kemodernan luar biasa banyak dari rahasia keberhasilannya berguna dalam dunia bisnis kompetitif saat ini sebagaimana rahasia itu berhasil mengerahkan dan mempersatukan bangsa mongol di masa lalu this book is a product of many years of painstaking examination conducted on the lifestyle of a revered personality a pragmatic leader and prosperity exponent dr david olaniyi oyedepo easy to read uniquely captivating leadership secrets of david o oyedepo is an all revealing classic on the exemplary leadership secrets of one of the most influential preachers in the world david oyedepo s single mindedness has helped generate a progressive growth of a multi faceted organization propelling him to become a global phenomenon under a peculiar african economic climate characterized by high degree of uncertainties this book is packaged to arouse and enhance your leadership potentials and possibility it is put together to show you how to without stress become an outstanding and pragmatic leader by simply following the path charted by a tested proven and approved pathfinder the man david oyedepo consider this book as the brightest ever burning lamp of accumulated wisdom that will help you go places 100 top executives reveal the management strategies that made their companies great executives believe that more than half of their leadership abilities developed through experience this book reveals this experience from the men women who run top corp in their industry or market niche the author asked these executives the questions we can all benefit from in times of trouble growth what is your most powerful leadership technique how did this technique increase profitability or help gain market share for your co how can a person become a better leader for co owners or young managers the answers in this book give new ways for making your organization soar along with all important tried tested methods of success one of the most powerful and entertaining business books available today the leadership secrets of santa claus is a clever and compelling resource for leaders at all levels need a role model for effective leadership try santa claus imagine the endless challenges that running his operation poses there s juggling employees equipment facilities resources production letter reading scheduling the big delivery keeping everyone jolly and the list goes on it s mind boggling how does he do it all what are his secrets to success you ll find the answers within the pages of his powerful and entertaining book the leadership secrets of santa claus you ll enjoy every minute of reading as you learn how to get your team fully motivated and inspired produce significant and sustained results help everyone deal with the realities of change build a high performance workshop become a more effective and respected leader this book is based on the belief that effective leaders accomplish big things by giving employees clear goals solid accountabilities and ongoing feedback coaching and recognition fresh out of college newman faced the same challenges of every millennial as he launched his career yet somehow he managed to defy economic conditions and personal challenges gaining a unique perspective on his march to the corner office general electric s jack welch a k a neutron jack and the toughest boss in america is as notorious as he is respected now readers can tap the source of welch s courage innovation and success in this guide that reads like a manager s little instruction book
