## **Open Your Mind 2012-08-24**

this is poetry at its best same blood same flesh and same chemical composition we breathe we eat we think and we feel our only difference is preception the way in which we view people places and things based on what we know and how we feel and or have felt the glass can be half full and or half empty growth and development comes in stages as children we see in black in white as young adults we see in black white and grey and as men women we see the never ending various shades of colors the more i learn the less i realized i know over the years i found that it seems everyone would like things to go their way so it started to make sense why my plans didnt always work out thats about the time i learned to role with the punches in life to make the best of

everything to always breathe easy and what i feel is most important was the ability to lose small my book is a lot of deep thoughts self reflection over years of studies i dont believe that emotions should have the right to override intellect the mind controls the body so i think and i dare you to think also the choices we make are based on what we want and or feel we need to your choices are yours and they may or may not affect my life but consequences come with all choices choose wisely just know that you chose conscious or not email me at openyourmind0012 gmail com open your mind see as eye see is also on facebook feel free to let me know what you think

## ***Open Your Eyes 2012-03-22***

we all have dreams and plans for our lives but what happens when they start to unravel or get lost altogether it can be easy to stay in a desperate hopeless way of living but we have a god who is ready to give us hope no one ever said it would be easy this thing called life in fact jesus said in john 16 33 that in this world you will have trouble but take heart i have overcome the world this is my story of finding god after my plans failed and my dreams died my hope was shattered and my heart was left in many broken pieces i knew

that god was the only way i could get through the pain i cried out to him and he answered god spoke to my heart in a special way and let me know that he could hear me god was waiting patiently for me to turn to him to trust him to get to know him and once i did i came to know the kindness of jesus and the power of his saving grace i realized that my greatest disappointments and toughest trials revealed the inner strength i had deep inside through these trials i came to know the meaning of the word redeemed and to understand the price that jesus paid for my sins he helped me to accept his love so that i can be all that he has called me to be through this study i pray that you will see that he wants to do that for you too just open your eyes seek him and you will find him matthew 7 7
