coleridge literary remains of s t coleridge complete letters letters of samuel taylor coleridge bibliographia epistolaris this book is the first critical biography of william taylor a nineteenth century american missionary who worked on six continents following taylor s global odyssey the volume maps the contours of the methodist missionary tradition and illumines key historical foundations of contemporary world christianity a work of social history that places a leading methodist missionary in the foreground this narrative illustrates distinctive aspects and tensions within methodist missions such as the importance of doctrines like universal atonement and entire sanctification a deeply pragmatic orientation rooted in god s providence an embrace of both entrepreneurial initiatives and networked connection and the use of revivalism for missionary outreach and leadership development a virginia native taylor became a methodist preacher and missionary in california this volume provides an important narrative account of taylor s career as an itinerant revivalist and popular author in which he toured the eastern united states the british isles and australasia taylor s participation in the south african revival made him an evangelical celebrity the author also follows taylor s important visits to india and south america where he initiated new methodist missions in those contexts and pioneered the concept of tentmaking missions in 1884 taylor was elected missionary bishop of africa by his church by the end of his life taylor had recruited or inspired hundreds of methodists to become foreign missionaries because of his lengthy screen resume that includes almost eighty appearances in such movies as camille and waterloo bridge as well as a marriage and divorce to actress barbara stanwyck robert taylor was a central figure of hollywood s classical era despite this he can be regarded as a lost star an interesting contradiction given the continued success he enjoyed during his lifetime in robert taylor male beauty masculinity and stardom in hollywood author gillian kelly investigates the initial construction and subsequent developments of taylor s star persona across his thirty five year career by examining concepts of male beauty men as object of the erotic gaze white american masculinity and the unusual longevity of a career initially based on looks kelly highlights how gender masculinity and male stars and the ageing process affected taylor s career placing taylor within the histories of both hollywood s classical era and mid twentieth century america this study positions him firmly within the wider industrial cultural and socioeconomic contexts in which he worked kelly examines taylor s film and television work as well as ephemeral material such as fan magazines to assess how his on and off screen personas were created and developed over time taking a mostly chronological approach kelly places taylor s persona within specific historical moments in order to show the complex paradox of his image remaining consistently recognizable while also shifting seamlessly within the hollywood industry furthermore she explores taylor s importance to hollywood cinema by demonstrating how a star persona like his can fit so well and for so long that it almost becomes invisible and eventually almost forgotten the initial foundations to the notion that cometan s grandparents irene mary taylor and derrick taylor should be recognised for their life as laypeople in the roman catholic church first emerged in january 2020 and october 2021 respectively irene mary was well known for her devotion to catholicism among her family and acquaintances yet cometan saw in her icon and life events an opportunity to reinvigorate catholic fervour in england and abroad in his own endeavour as a religious figure and philosopher as the founder of astronism cometan had made it clear that his paternal grandmother had played a large role in his religious life from infancy and so irene mary s cause for beatification was the culmination of this destined religious figureship the beatification story of irene mary taylor holds the responsibility of presenting irene mary for the recognition in the roman catholic church in whichever capacity the church deems suitable the book explores the major remembered life events of irene mary taylor relates them to catholic doctrine and systematises them to form irenianism irene mary s eponymous catholic system of thought this biography introduces readers to zachary taylor including his early political career and key events from taylor s administration including the clayton bulwer treaty and the compromise of 1850 information about his childhood family and personal life is included a timeline fast facts and sidebars provide additional information aligned to common core standards and correlated to state standards checkerboard library is an imprint of abdo publishing a division of abdo recounts the life of a man who was a prominent louisiana sugar planter a confederate army officer and an influential politician short biography of young country singer taylor swift jeremy taylor
