system hereos how to get to know the right people the worldos attention turned to the u s capitol on january 20 2009 when barack obama took the presidential oath of office but inside the building changes had already taken place that would have broad implications for his agenda the 111th congress had convened on january 6 with a far stronger democratic majority than the one that had preceded it their ambitious legislative agenda requires the assistance of their staffs to prepare them for all the important issues on the legislative table thus it is more important than ever to know about senior congressional

committee staff members and the role they play in shaping today's legislation while members of the house of representatives and the senate enact laws it is often their staffers who exert the greatest influence in the lawmaking process staffers advise their elected bosses establish political positions on issues craft legislation put policies in place and play important roles on scores of congressional committees the next time you need to find out who is the most effective person to advocate your cause turn to the insiders guide for all the answers overall it provides access to an important if not very visible component of the legislative process recommended choice the insiders guide to key committee staff of the u s congress contains in depth profiles on key congressional staff members that you will not find elsewhere the information provided on these personnel gives you not only the contact information and other pertinent data but also the inside track to those people these are the staffers who work with and support the representatives and senators in various important roles that help to enact change or refine existing laws and codes that govern our nation with all the sweeping changes that have taken place since the obama administration took office this essential resource has never been more important or more valuable this new edition features over 125 new profiles and is designed to be the ultimate for quick and easy reference the insiders guide is the leading source for information on more than 600 congressional staff members the profiles included feature in depth biographical information detailed professional history and educational background staff members areas of expertise and committee role up to date contact information and photograph when available staffers own insights as to their committees priorities and special projects during this session of congress organized by house senate and joint committee assignments you'll find both the person you're looking for and information on his or her individual impact on legislation and decision making with this insiders guide you'll never again need to question who is the most effective person to advocate your cause in today's world of globalization the united states generally is considered by foreign investors around the world to be the safest and most profitable location to invest their funds and from where to operate a headquarters or manufacturing site increasing profit margins for multinationals relatively low interest rates incredible stock exchange prices and volume a reduced level of inflation and record consumer spending resulting from sophisticated demands of the baby boomer age as well as an accelerated rate of immigrant arrivals all have inspired new private investment from abroad now surpassing the usd 5 trillion mark in direct and indirect investment surveys consistently show that foreign businesspersons like their american counterparts seek locations from which to manufacture assemble or service their products where the tax or investment incentives are most attractive investment incentives consist of a variety of inducements ranging from tax credits and cash grants and tax exemptions or reductions to accelerated depreciation loan subsidies and property tax sales tax and customs duty exclusions or reductions as well as foreign trade and enterprise zone availability unlike the array of incentives offered by foreign countries the charts reflect that most of the states rely on property tax concessions loan subsidy financing development project rewards low or no sales taxes and foreign trade zone availability this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we
