The Hodges Harbrace Handbook

2009-05

continuously evolving to address the needs of today's students the hodges harbrace handbook 17th edition guides student writers in developing their understanding of the rhetorical situation this understanding enables even students with minimal experience or confidence in their writing to learn to write more effectively to choose the most pertinent information arrange it well and use the most appropriate language when writing for any audience this grammar first handbook provides comprehensive coverage of grammar style punctuation mechanics writing and research all presented in the context of rhetorical concerns including the writer reader message context and exigence reason for writing this edition has been updated to reflect guidelines from the 2009 mla handbook for writers of research papers seventh edition

Harbrace Handbook

1990

the thirteenth edition of the harbrace has for the first time a brief edition the chapter order is the same as the one for the harbrace college handbook thirteenth edition we removed the exercises and reduced the length of the individual chapters however the coverage in the remaining chapters is more detailed than any other brief handbook and the harbrace college handbook brief thirteenth edition has the physical characteristics you expect of a brief handbook comb binding and plastic tabs
