of most help to students work more effectively and gauge your progress as you go along this study guide is designed to accompany weygandt s managerial accounting tools for business decision making 3rd edition each chapter of the study guide includes a chapter overview review of study objectives problems true false questions multiple choice questions and solutions each question is identified by a corresponding text study objective weygandt s managerial accounting tools for business decision making 3rd edition gives students the tools they need to succeed whether as accountants or in other career paths with a framework in decision making it covers all the necessary techniques and concepts for a one semester undergraduate managerial accounting course many students in this course are not accounting majors and will need to understand the big picture of accounting therefore this text provides them with a pedagogy that helps to build their decision making skills and to understand how to use accounting information to make quality business decisions in whatever major or career they choose weygandt s managerial accounting 4th canadian edition is written by a highly trusted and respected author team weygandt kieso kimmel and aly hundreds of thousands of students have been successful using books written by these authors again these authors bring you a one semester undergraduate text that presents the fundamental concepts of managerial accounting in a concise and easy to read fashion this edition retains the same features that made it popular in the previous editions it gives students all the necessary techniques and concepts of managerial accounting in a focused concise framework with an excellent pedagogy that s been praised by instructors it does this by focusing on the tools students need to succeed because not all students taking this course may be accounting majors the authors have focused more on building decision making skills on how to use accounting information to make quality business decision and on the tools needed by future managers pair this book with our new managerial accounting cases by carty and wick for a complete solution for your managerial accounting needs this study guide is designed to reinforce your understanding of the concepts presented in the textbook and how to apply them in the world of business it contains the following materials for each chapter to help you review the chapter s main points and how they relate to one another coverage of the chapter contents featuring an overview of the chapter a review of the chapter by study objective to help you assess your understanding of the material a chapter self test including multiple choice questions problems many of which ask you to use the financial statements of real companies which are included at the back of the guide to provide you with immediate feedback solutions to the chapter self test explaining the how and why behind each solution if you re looking for a valuable aid to help you succeed in your financial accounting course you ve found it in the study guide to accompany kimmel weygandt kieso trenholm irvine financial accounting tools for business decision making fifth canadian edition this package includes a three hole punched loose leaf edition of isbn 9781118064504 and a registration code for the wileyplus course
