confidence in hiring discover that you are not alone in your journey when you grab a copy of my book caring for aging parents a comprehensive guide to senior care at home caregiver selection and aging in place strategies let s get started as a bonus you ll get a downloadable pdf of the art of caregiving 20 essential caregiver interview questions to help you conduct your search today there are 77 million baby boomers living in the u s meaning 10 000 people will be turning 65 years old every day currently most boomers aren t in assisted living yet however they will be moving into senior housing in droves over the next couple of decades add to this the increasing numbers of boomer s parents already making this transition with limited resources available at this time planning for assisted living can be overwhelming for those who are making difficult choices for their loved ones or themselves these choices have only been complicated and made more urgent by the covid 19 pandemic contrary to popular belief retirement homes are not the only option for our population s aging members anymore adult family homes designed to allow senior citizens to live mostly independently with access to a variety of amenities provide an alternative for individuals or couples who can no longer safely live on their own but don t want to relegate themselves to assisted living facilities investment in this innovative category of senior living is a relatively new opportunity that many are not aware of this book will give you the tools to decide if this could be a right fit for you and your family you will learn what is happening in the senior care industry today and what the options are how smaller senior care homes are becoming ever popular in the wave of covid19 how to invest in a senior care home how to convert your home or property into a senior care home how to protect the wealth of your family and honor mom and dad designed as a practical guide through the complex world of senior living here is the advice and guidance to help you make decisions that honor the elderly protect family resources and provide an investment opportunity in today s fast growing segment of the real estate market navigates the world of health care services and long term care facilities for the reader or for the reader s aging parents here is detailed practical advice for the administrator or
