Jainism, also known as Jain Dharma, is an Indian religion. Jainism traces its spiritual ideas and history through the succession of twenty-four Tirthankaras, supreme preachers of Dharma, with the first in the current time cycle being Rishabhadeva, whom the tradition holds to have lived millions of years ago. The twenty-third Tirthankara, Parshvanatha, whom, along with Hinduism and Buddhism, Jainism is one of the three most ancient Indian religious traditions still in existence and an integral part of South Asian religious belief and practice.

Jainism is one of the world's oldest religions, originating in India at least 2,500 years ago. The spiritual goal of Jainism is to become liberated from the endless cycle of rebirth and to achieve an all-knowing state called Moksha.

Jainism is one of the oldest religions in the world. The name comes from Jiva, soul or life force, but capitalized is also given as spiritual conqueror, as it maintains that all living things possess an immortal soul which has always and will always exist, and this soul may be liberated from suffering by adhering to Jain tenets.

Jainism teaches that the path to enlightenment is through nonviolence and reducing harm to living things, including plants and animals, as much as possible. Like Hindus and Buddhists, Jains believe in reincarnation. This cycle of birth, death, and rebirth is determined by one's Karma. Jains believe bad Karma is caused by harming living things. The Jain faith can be best labelled as a path to liberation or a path of purification. This is defined as consisting of correct faith, correct understanding, and correct conduct.

Key takeaways: Jainism beliefs focus on nonviolence through certain vows. Jain monks and nuns take Mahavratas, the five great vows, while nonmonastic Jains take the twelve vows of laity. The twelve vows of laity are separated into three categories: Anuvrata, Gunavrata, and Shikshavrata.

Jain literature covered multiple topics of mathematics around 150 AD, including the theory of numbers, arithmetical operations, geometry, operations with fractions, simple equations, cubic equations, bi-quadratic equations, permutations, combinations, and logarithms.

Makeba is a song by French singer/songwriter Jain, released on 6 November 2015 from her debut studio album *Zanaka*. It was written by Jain and produced by her longtime collaborator Maxim Nucci.

Welcome to the new Jain eLibrary site. If you encounter any problem using the new website, you can contact this email ID: [contact.jainelibrary.org](mailto:contact.jainelibrary.org). Global search for Jain books, manuscript literature, seminar memorabilia, dictionary, magazines, articles, while Jain literature from earliest times emphasizes the place of the monk and his concerns. It is clear that almost from the religion's outset, the majority of Jains have been laypersons who support the community.

of renunciants the principal jain festivals can generally be connected with the five major events in the life of each tirthankara descent into his mother s womb birth renunciation attainment of omniscience and final emancipation the jain calendar includes many festivals engineering chemistry 16th edition by jain and jain per piece 400 525 24 off select condition used very good this product is out of stock add to wishlist product details condition note no pen pencil marks except previous owner s details about the book the jain faith is one of the oldest faiths in india its presence is attested since the 6th 5th century bce this was the time when mahāvīra preached in the eastern part of india then known as magadha since then the faith has been present on the indian subcontinent without any break buy engineering chemistry jain book online at low prices in india engineering chemistry jain reviews ratings amazon in books higher education textbooks engineering textbooks 799 00 other used and new from 248 00 799 inclusive of all taxes 199 delivery 29 30 may details select delivery location a a word meaning abadhita with no contradiction of the probandum abhavya one who is incapable of attaining moksa abadhitisayatra absence of contradiction of the probandum abhedavrtti identifying by transference of epithet abhedopacara making identical aspect predominant abhigraha resolution abhikshna jnanopayoga ceaseless pursuit of right knowledge abhipsitadesirable abhisekaointing the meaning of jain is an adherent of jainism it s free library jain library jain books sambodhi academic work list of topics with books audio video material books at atmadharma jain topics in jainworld
