Official Catalogue illustrated with Engravings published by Order of the Royal Italian Commission 1865 the social republic had its own public security structure the

republican police corps formed by a kind of dual soul one territorial engaged in the institutional tasks of the police and one more distinctly a child of the tremendous period that was being experienced devoted mainly to the persecution of the political opponents of fascism the partisans and the hunting of jews at times these two souls interpenetrated although the division remained very sharp until now very little has been written about the events of the republican police research has focused for different and sometimes opposing reasons mainly on those para police units often known as gangs devoted to the most violent and cruel activities which operated mostly in close dependence with the germanic commands what has been left out however is the more institutional aspect of the republican police in whose ranks militated a great many honest and probable men who in many cases also worked to save jews or secretly militated in the resistance far from having made a systematic and exhaustive study an attempt has been made in these pages to summarize all aspects characterizing the structure of the police during the period of the italian social republic

Statistics of Land-grant Colleges and Universities 1964 originally published in 1991 this book concerns the reception and spread of american style progressivism in post fascist italy it places educational reconstruction in fuller historical perspective referring to newly available archival sources documenting the allied input to reconstruction efforts and the response of the italian bureaucrats and the church the book shows the struggle over schooling that sheds light on other political and social questions in this period this is an in depth study of the anglo american reconstruction policy in education which is a substantial contribution to understanding america s post war cultural and social influence throughout western european society
