on may 19 2010 the royal thai army deployed tanks snipers and war weapons to disperse the thousands of red shirts protesters who had taken over the commercial center of bangkok to demand democratic elections and an end to inequality key to this mobilization were motorcycle taxi drivers who slowed down filtered and severed mobility in the area claiming a prominent role in national politics and ownership over the city and challenging state hegemony four years later on may 20 2014 the same army general who directed the dispersal staged a military coup unopposed by protesters how could state power have been so fragile and open to challenge in 2010 and yet so seemingly sturdy only four years later how could protesters who had once fearlessly resisted military attacks now remain silent owners
