outside of china even knew that the mission was
manned³/₄or that their ship had crash landed and couldn t
take off again time was running out and if the four chinese
astronauts were to be rescued the american lunar mission
would have to launch immediately with only a skeleton crew
once the heroic u s astronauts were underway the army of
engineers and scientists back home had the daunting task of
deciding what equipment could be left on the moon to
permit the lunar lander vehicle vehicle to lift safely from the
moon with the two u s astronauts and the four stranded
chinese taikonauts could the u s mount such a mission
successfully³/₄and would thousands of years of instilled
