**grammar how to correct from to to here
english**

Jan 10 2023

2 although it s common in marketing language i would avoid
the construction from to for discrete items that can t be
thought of as points on a line or spectrum you don t mention
how many degrees you hold but if it s no more than the four
you mention you d probably be best off simply listing them

from to to sentence structure comma

placement

Dec 09 2022

comma placement with from to to you do not need to use commas to separate the things in the range in a from to to sentence sometimes there may be a comma before the from depending on the sentence type and what precedes the word from for example we eat most foods in this house from asian to mexican to british to middle eastern

meaning why are there two to s in from to to

Nov 08 2022

to denote that something applies to a wide range of items you can use the phrase from to to e g animals can live anywhere from forests to deserts to deepest pits of the oceans i don t see how should i interpret the phrase are the forests and deepest pits of the oceans extremities of a range with deserts being a middle ground
