some books are issued by the publisher in two forms a first trade edition the mass produced copies for sale in stores and a special or limited edition produced in small quantities often in a different binding or issued with a page signed by the author called a signed limited edition there are four major criteria your book must meet be it a hardcover or a paperback to be considered a true first edition you can check whether first edition is mentioned on the copyright page but you also need to check it for the correct publisher date edition number and print run number a first printing is the first run of when a first edition of a book is published while second and third printings are technically first editions as long as edits aren't made the first printing is considered the collectible first edition that collectors are looking for what is a first edition a first edition is the format a book took when it was first made available for sale the abaa glossary of book terms states first edition all of the copies printed from the first setting of type can include multiple printings if all are from the same setting of type in the simplest terms a first edition is the first commercially distributed version of a book for the purposes of modern collectible books first edition is shorthand for the first printing of the first edition of a work book club editions are generally differentiated from trade editions and some people collect specific trade editions for publishers first edition may just mean the first version of the text without significant revisions many publishers will print the hardcover edition of a book and call that a first edition then print the same text in paperback and call it a first edition as well first edition stated sometimes the word first edition will helpfully be printed on that page often described as first edition stated by booksellers first printing first impression and first published are other ways of publishers stating the first edition a first edition is the first printing of a book it's true that a first edition may have one or more printings and that a second edition will normally be noted only if there are actual changes usually major in the text but for a collector a first printing is the only true first edition first edition books are the first appearances in print of a particular work and as such convey value and meaning to their owner aesthetically emotionally and monetarily first editions hardcover signed books find books advanced search first editions frequently asked questions a first trade edition is the initial commercial release of a book typically released through traditional channels such as bookstores it mirrors its original edition but may include corrections or additional content the table below lists the first trade edition identification criteria for each of stephen king's books the early doubleday books all say first edition explicitly on the copyright page cp there are other identifiers for these books as well in many cases the first trade edition is the first edition but sometimes publishers make special deals and sell specially signed and limited editions for friends of the publisher friends of the author or high end specialty publishers like the easton press the first trade edition was published by doubleday page to be sold in bookstores many book collectors place maximum value on the earliest bound copies of a book promotional advance copies bound galley uncorrected proofs and advance reading copies sent by publishers to book reviewers and booksellers a trade paperback also called trade paper edition and trade is a higher quality paperback book if it is a softcover edition of a previous hardcover edition and is published by the same house as the hardcover the text pages are normally identical with those of the hardcover edition and the book is almost the same size as the hardcover edition this guide is for trade editions only limited editions are sometimes published before or after the trade edition and do not affect its value obviously limited editions are far more valuable and i may cover these in the future trim size trim size is basically the dimensions of the book itself the meaning of trade edition is an edition of a book intended for general distribution trade hardcover edition of 10 000 copies with dustjacket of which approximately 1 500 copies were misbound the cover boards are maroon in color and the book has colored endpapers the dustjacket has two prices printed 1 200 2 000 the second printing of 10 000 copies with dustjacket the stand 823 pages 1978 publisher doubleday first edition 70 000 revised first edition 400 000 first edition cover click for copyright page the stand first us uk 1978 1990
