during freedom summer 1964 three young civil rights workers who were tasked with registering voters at mt zion methodist church in neshoba county mississippi were murdered there by law enforcement and ku klux klansmen the murders were hardly noticed in the area so familiar had such violence become in the magnolia state for forty one days the bodies of the three men lay undetected in a nearby dam and for years afterward efforts to bring those responsible to justice were met only with silence in one mississippi two mississippi carol v r george links the history of the methodist church now the united methodist church with newly researched local history to show the role of this large denomination important to both blacks and whites in mississippi s stumble toward racial justice from 1930 1968 white methodists throughout the church segregated their black co religionists silencing black ministers and many white ministers as well locking their doors to all but their own members finally the combination of civil rights activism and embarrassed methodist morality persuaded the united methodists to restore black people to full membership as the county and church integrated volunteers from all races began to agitate for a new trial for the chief conspirator of the murders in 2005 forty one years after the killings the accused was found guilty his fate determined by local jurors who deliberated in a city ringed with casinos unrecognizable to the old neshoba in one sense a spiritual history the book is a microhistory of mt zion methodist church and its struggles with white neshoba as a community learned that reconciliation requires a willingness to confront the past fully and truthfully george draws on interviews with county residents black and white methodist leaders civil rights veterans and those in civic groups academia and state government who are trying to carry the flag for reconciliation george s sources printed oral and material offer a compelling account of the way in which residents of a place long reviled as dark neshoba have taken up the task of truth telling in a world uncomfortable with historical truth

## ***The Sun: Ruler, Fire, Light, and Life of the Planetary System 1872***

in his previous book the big fraud congressman troy nehls exposed the deep corruption perpetrated by the democrats in the 2020 election now in borderless by design he examines what s really happening with the biden administration s destruction of america s southern border the democrats and their deep state supporters want to cement permanent political power in washington dc having turned their backs on their traditional voters middle class blue collar americans the democrats have a desperate need to replenish their voter base that s why the biden administration purposely acting against the constitution and our country s laws is flooding our border with illegals regardless of the harm done to america and to illegals themselves democrats consider the power grab worth the collateral damage if that weren t bad enough the democrats open border policies also aid and abet those who are trying to destroy america from george soros and davos man to china and the mexican drug cartels
