Presence 2007-05-31 do you know why the news always hook us because they are negative read on success is attracted not forced success is looking for a good place to stay what does it boil down to it's all in the power of your positive thinking by having positive thoughts you are sending a message to the universe that hey give me more i can handle it that message can also be negative which will return to you later like a boomerang the power of positive thinking is endless and it's tightly linked to the power of attraction the benefits of positive thinking could be also felt physically stress could be reduced depression could be prevented the risk of having heart diseases diminishes and even a simple cold can't resist it with the book the power of positive thinking you will learn how to change your mindset in order to attract happiness positive energy abundance and wealth people who accomplish great things are aware of the negative however they give all their mental energy to the positive bob proctor think about it for a while when you are ill and think that you won't get better your illness will surely get worse but if you think you will be better your condition will improve this is not some kind of hocus pocus magic there was an experiment done which gave 3 groups of patients 1 with real pills 1 with pills without any medicine fake pill basically and 1 without any medicine the

improvement of people who are the real pills are almost identical to those who are the fake pill what message are you sending out to the universe if you doubt yourself if you think negative if you let your fears win you will never be successful positive thinking has an immense power and you can train your mind to think in a new fresh and beneficial way believe in yourself and tell your wish to the universe you shall have the key to your happiness act now by clicking the buy now or add to cart button after scrolling to the top of this page p s what s holding you back in life most people are stopped either by their fear or their laziness remember the best investment you can make is in yourself invest the time and the price of less than a coffee to make a quantum leap in your life wealth love and happiness act now *Remote Healing* 2014-06-11 enjoy the ride of your life with the wall street journal bestseller none of us can expect to get through life without any challenges life isn't always a constant daydream of unbridled pleasure and happiness but that doesn't mean you can't approach everything with some zing a big dose of positive energy is what you need to feel great be successful and love life and the international bestselling the energy bus can help you live your life in a positive forward thinking way learn the 10 secrets that will help you overcome adversity and harness the power of positive infectious energy so that you can create your own success international bestselling author jon gordon draws on his experience of working with thousands of leaders and teams to provide insights actionable strategies and positive energy the energy bus shows you how to ditch negativity and infuse your life with positive energy provides tools to build a positive team and culture contains insights from working with some of the world's largest companies foreword by ken blanchard co author of the one minute manager

The Power of Positive Thinking 2019-07-08 are you living up to your true potential have you found your calling in life are you attracting enough wealth if the answer to any of these questions is no then i encourage you to pay attention to the advice given in this book you will learn more about yourself about how to save up more money and attract more of it and how to manage stress in these pressing times many people lose their sense of self or become less confident in their ability to achieve much but your personality traits may just be all that s needed to live the life of your dreams live up to it now start out by getting the information from this book

The Energy Bus 2015-05-26 you are getting a great deal because this title contains 2 separate books both about the law of attraction but with different pieces of information in them these are the books book 1 the energy from the universe emanates through space and helps us send out vibrations only to receive back what is in our inner desires i know that sounds like a complicated sentence but that basically sums up the law of attraction to understand this more fully we have to understand those concepts separately vibrations energy mindfulness to receive the things we want all those things are related to each other one way in which people increase their chances to receive their desires is by using hypnosis or self hypnosis these practices have been tested and often underestimated by the masses but they can work in a person s favor especially if that person is committed to changing his or her life morning routines are another element of having success many people start out the day wrong and then don t end up where they want to be by starting each day with a well thought out ritual you can make those changes in your life book 2 when it comes to the law of attraction it s important to recognize that our minds and bodies are connected our thoughts determine our actions which determine our results in life

different things to manifest need different attitudes and actions here you will find some specific charges for manifestation power to manifest your true love a better job and yes even your dream car many of these things are possible to the dreamers and the doers
