**Adorable Cakes for all Occasions** 2008-11-24 many facilitators realize that the basic methodologies they use often fail to take their clients to a place of deeper learning and growth required when addressing complex issues this book offers over seventy exercises along with tips and tools for expanding the professional coach's repertoire and includes a full range of interventions the book also includes step by step guidance on how to use these innovative methods with clients based on the skilled facilitator model developed by best selling author roger schwarz in his landmark book the facilitative coaching toolkit is ideal for coaches who are looking for advanced alternative approaches to helping their clients get unstuck when dealing with obstacles

**Facilitative Coaching** 2020-06-08 anthropology today seems to shy away from the big comparative questions that ordinary people in many societies find compelling questions of anthropology brings these issues back to the centre of anthropological concerns individual essays explore birth death and sexuality puzzles about the relationship between science and religion questions about the nature of ritual work political leadership and genocide and our personal fears and desires from the quest to control the future and to find one's true identity to the fear of being alone each essay starts with a question posed by individual ethnographic experience and then goes on to frame this question in a broader comparative context written in an engaging and accessible style questions of anthropology presents an exciting introduction to the purpose and value of anthropology today

**Questions of Anthropology** 2011-09-26 the earth is poised to make a great disclosure it's a hierophant but what's a hierophant a person who reveals the holy light but it can also be a landscape or a planet and what's the holy light it is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of creation some people call this imminent disclosure the apocalypse and run for cover but that is mistaken apocalypse means the revelation of the divine revelation it means the end of our picture of the world as we know it the world itself will be fine even better than fine splendid illumined the architect of reality lays down his cards face up and you see the whole deck here is the truth of yourself and the earth how will this disclosure work what we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness that's the inner patterning of their design their arrays of light temples and subtle palaces primed for our visionary adventures and edification the earth needs us to have these adventures and visions because that's how we keep the planet healthy hierophantic landscapes visits five landscapes from norway and england to california and mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the earth maybe not such a small band because along the way we encounter angels landscape devas nature spirits and otherworldly mentors and revel in vistas of the ancient past of the earth when that revelation was as fresh as a sunrise as it will soon be again

**Hierophantic Landscapes** 2011 revision of author's doctoral thesis latrobe university australia 2008

**Directory of 33 Systems and Solutions for the New Culture** 2011 from sewn planked boats in early dynastic egypt to late roman wrecks in italy and the design of venetian merchant galleys this huge volume gathers together fifty three papers presenting new research on the archaeology and history of ancient ships and shipbuilding traditions the papers have been grouped into several thematic sections including ships of the mediterranean the reconstruction of ancient ships from life size reconstructions to computer models the study of shipyards shipsheds and slipways of the mediterranean and europe venetian galleys of the 15th and 16th centuries and north european medieval and post medieval ships these papers which were presented at the ninth international symposium on boat and ship archaeology isbsa held in venice 2000 carlo beltrame is a free lance archaeologist and contract professor of maritime archaeology at università ca' foscari of venice and of naval archaeology at universita della tuscia of viterbo he specialises in the archaeology of ship construction from antiquity until the renaissance period and methodology in maritime archaeology
