was a huge hobby kids built plastic kits of planes
tanks race cars space ships creatures from scary
movies you name it before baseball card collecting
pokémon and video games model kit building was one
of the most popular hobby activities car and
airplane kits were the most popular and among the
car kits muscle cars as we know them today were
one of the most popular categories many owners of
real muscle cars today were not old enough to buy
them when the cars were new of course yet kids of
the 1960s and 1970s worshiped these cars to an
extent completely foreign to kids today if you
couldn t afford or were too young to buy a muscle
car back then what could you do for many the next
best thing was to buy collect and build muscle car
kits from a variety of kit companies hundreds were
made many of these kits have become collectible
today especially in original unassembled form
although people still build kits today there is a
market for collectible kits of nostalgic model
kits people love the kits for the great box art to
