Readings in St. John's Gospel

1942

anthology of readings in johannine theology

Readings in St. John's Gospel

1950

the gospel of john is often found at the center of discussions about the bible and its relation to christian theology it is difficult to quantify the impact john s gospel has had on both the historical development of christian doctrine and the various expressions of christian devotion all too often however readers have failed to understand the gospel as an autonomous text with its own unique story to tell more often than not the gospel of john is swept into a reading approach that either conflates or attempts to harmonize with other accounts of jesus life this book emphasizes the uniqueness of john s story of jesus and attempts to provide readers with a road map for appreciating the historical context and literary features of the text the aim of this book is to help others become better more perceptive readers of the gospel of john with an ability to trace the rhetoric of the narrative from beginning to end

Suggestive readings on the Gospels. St. John

1872

come and read explores four interpretive approaches narrative sociocultural intertextual and rhetorical and applies them to three key passages in the gospel of john the combined work of top johannine scholars this collection illustrates the methods employed the value of multiple approaches and how method impacts the conclusions reached

Readings in St. John's Gospel

1941

many thousands of people across the world have found their spiritual lives enriches by the daily practice of christian meditation the method of silent prayer taught by benedictine monk john main it is a tradition which draws on the ancient wisdom of the bible the hindu upanishads and the early christian desert fathers john main wrote several books on contemplative prayer before he died in 1982 but this collection is the only one to draw the essence of all his teachings into one volume paul harris has devotedly selected the essential extracts from each of john main s works and arranged them here in an attractive and practical daily readings format

Daily Readings From the Life of Christ

2008-09-01

the publication of this volume a sequel to the earlier collection what is john volume i readers and readings of the fourth gospel completes the work of the johannine literature section of the society of biblical literature on how real readers approach and interpret the fourth gospel

Readings in St. John's Gospel

1963

start your day with the truths that have shaped lives for centuries along with martin luther john calvin the great scholar and christian leader was one of the central figures in the protestant reformation a year s worth of daily devotional readings taken from calvin s commentaries and from calvin s institutes of the christian religion of prayer and on the christian life have been compiled here for inspiration and meditation each of the 365 selections includes a bible passage and a devotional reading on that passage be encouraged as calvin s profound insight wisdom and devotion reveal god s grace excerpts from calvin s commentaries were taken from the work done in the mid 1800s by the calvin translation society excerpts from calvin s institutes of the christian religion of prayer and on the christian life were taken from the work of henry beveridge 1845

John

1993

99 musings is for men and women who desire to know god and follow jesus with authenticity and integrity the first disciples were far from perfect and yet god called them loved them equipped them picked them up when they struggled and blessed them as was true for them so it is possible for us today the musings seek to inspire encourage sometimes challenge and most importantly remind the reader of god s faithfulness even when circumstance don t make sense written in contemporary language each musing is relevant and easily applied to today s world this is not a book of spiritual idealism and abstraction but rather a work that tries to make sense of the teachings of jesus the promises of god and the power of the holy spirit it is about a kind and loving god who is a father he wants to walk alongside us in our lives with his presence and power he delights in us where we are and he is not interested in our being perfect trying harder keeping rules or performing his focus is on friendship and relationship from

which all else flows and that is the heart of these musings

Daily Readings from the Writings of St. John Chrysostom

1988

reading john concentrates on the literary and theological distinctives of the fourth gospel and the johannine epistles new testament scholar charles talbert s unique commentary considers the entire scope of these works attributed to john their literary settings and particularities and their continuing theological importance to the christian story thoughtful and engaging reading john is an essential book for students and ministers studying the new testament and the johannine writings

Short Expository Readings on the Gospel of St. John, a Selection

2018-10-16

how can we understand god s revelation to us throughout the church s history theologians have often answered this question by appealing to a doctrine of illumination whereby the holy spirit shapes our knowledge and understanding of scripture without denying the role of the holy spirit or the cognitive role of illumination ike miller casts a broader vision of divine illumination and its role in the christian life in his constructive approach miller argues for a fully trinitarian view of illumination that forms not just our intellect but also appeals to the affections and encourages our ethical action in order to develop this theology of illumination he explores both augustine s and karl barth s readings of the gospel and epistles of john including barth s previously untranslated lectures on the gospel of john in light of his careful study of both the johannine literature and the theologies of two giants from christian history miller lays out a doctrine of illumination whereby we are enabled to know the father and participate in christ by the power of the holy spirit studies in christian doctrine and scripture edited by daniel j treier and kevin j vanhoozer promotes evangelical contributions to systematic theology seeking fresh understanding of christian doctrine through creatively faithful engagement with scripture in dialogue with church

Critical Readings of John 6

1997

the gospel of john theological ecumenical readings brings together leading catholic orthodox and evangelical theologians to read

and interpret john s gospel from within their ecclesial tradition while simultaneously engaging one another in critical dialogue combining both theological exegesis and ecumenical dialogue each chapter is uniquely structured with a main essay by a catholic orthodox or evangelical theologian on a section of john s gospel followed by two responses from theologians of the other two traditions the chapter concludes with a final response from the main author readers are thus provided with not only a deep and engaging reading of the gospel of john but also the unfolding of a rich theological ecumenical dialogue centered on an authority for all christians namely the gospel of john

Readings in St. John's Gospel

1952

crucial readings in functional grammar is an invaluable resource to anyone working in functional grammar student and scholar alike it contains important articles that have led to new avenues of research in the theory beyond dik s two volume functional grammar 1997 each concluded with a short paragraph with suggestions for further research the book also contains an introduction to current functional grammar theory by the editors crucial readings is unique in bringing together in one volume the various ideas that complement dik s canonical presentation of the theory the editorial contributions provide a comprehensive review of functional grammar publications

Companion to John

1977

in this work brian philip dunn focuses on the south indian theologian a j appaswamy s embodiment theology this is the first book on appaswamy a not insignificant indian christian theologian this study argues for the distinctive theological voice of appaswamy who develops a theology strongly influenced by the medieval hindu theologian or bhakti philosopher rāmānuja in particular offering a reading of the gospel of john dunn shows how appaswamy sees the christian god in rāmānuja s theology and how his theology particularly about the presence of god in the icon in a temple can become a heuristic device through which to understand the fourth gospel in the context of its own time this allows the reader to develop a rooted christology that otherwise would remain hidden through rāmānuja appaswamy can contribute to a constructive and important theology that grounds the text and ideas of the incarnation in the jewish context particularly about priestly atonement this reading of rāmānuja allows us to see a christology in the christian text that would otherwise not have been seen

New Readings in John

1999

in this book stan harstine examines three passages in the gospel of john in order to illustrate how diachronic and synchronic methodological approaches produce distinct results using leitwörter from the gospel s opening verses to shape an interpretive lens harstine identifies these passages as crucial transition points in the plot of the gospel
