Technical Manual

1982

whether you need a cost to fill a hole justify a price or put together a complete unit price estimate you'll find over 8 000 accurate 1996 unit costs showing bare material labor and equipment costs and costs with overhead and profit plus must have labor hour costs and productivity figures

Almond Production Manual

1996

the kid looks back is a collection of sixty eight stories that cover a wide range of topics i hope that his

book will be a gentle hiding place where you can go to get away from something return to something or go where you have never been some of these stories are true others are factually true although bit embellished others are outright fabrications most look back to a kinder mellower time digging for worms swimming in a pond using an outhouse or wading in a river may bring gross evaluations from our urbanized cousins i hope that this book introduces them to life with a smile most of the stories have a message many are simply humorous entertainment is the motive carefree is the mood try to find yourself within these pages may the beak of reality crack your comfort shell start anywhere finish anytime enjoy

Process Design Manual, Municipal Sludge Landfills

1978

the acknowledged bible of the industry this reference tool offers unchallenged unit price reliability in an easy to use arrangement whether used for complete finished estimates or for periodic checks it supplies more cost facts better and faster than any comparable source over 20 000 unit prices for 1995 unit cost data is organized to conform to the construction specifications institute csi masterformat
