New Introduction to American Studies, A. 1986

this collection focuses on conceptions of the unfamiliar from the viewpoint of mainstream american history aliens immigrants ethnic groups and previously unencountered ideas and ideologies in trumpian america the book suggests bringing historical thinking back to the center of american studies given that it has been recently challenged by the influential memory studies boom as much as identity building appears to be the central concern for much of the current practice in american history writing it is worth keeping in mind that historical truth may not always directly contribute to one s identity building the researcher s constant quest for truth does not equate to already possessing it history changes all the time because it consists of our constant reinterpretation of the past it is only the past that does not change this collection aims at keeping these two apart while scrutinizing a variety of contested topics in american history from xenophobic attitudes toward eighteenth century university professors apache masculinity ku klux klan tom waits s lyrics and the politics of the trump era

Grant Wood 2014-07-21

this book is a volume in the penn press anniversary collection to mark its 125th anniversary in 2015 the university of pennsylvania press rereleased more than 1 100 titles from penn press s distinguished backlist from 1899 1999 that had fallen out of print spanning an entire century the anniversary collection offers peer reviewed scholarship in a wide range of subject areas

international conference proceedings of the 50th annual meeting of the german association for american studies held june 10 13 2003 munich

A New Introduction to American Studies 1978

contemporary reception study has developed a diversity of approaches and methods including the institutional textual historical authorial and reader response which to a greater or lesser extent acknowledge the various ways in which readers have found texts literature television shows movies and newspapers meaningful this collection emphasizes that new diversity examining movies newspapers fans television shows and traditional american as well as modern hispanic black and women s literature the essays on literature include james machor on melville s short fiction

kenneth roemer on edward bellamy s utopian work looking backward amy blair on the popularity of sinclair lewis s main street marcial gonzalez on danny santiago and his hispanic novel famous all over town and leonard diepeveen on modernist fiction and criticism the theoretical essays on reader oriented criticism include patsy schweickart on interpretation and the ethics of care and jack bratich on active audiences media versions of response criticism include andrea press and camille johnson s ethnographic analysis of fans of the oprah winfrey show janet staiger on robert aldrich s film version of mickey spillane s kiss me deadly and rhiannon bury on the fans of the hbo television show six feet under history of the book versions include barbara hochman on the popularity of the 1890s editions of harriet beecher stowe s uncle tom s cabin ellen garvey on nineteenth century scrapbooks of newspaper and david nord on early twentieth century newspapers relations to audience charges of bias and unfairness poststructuralist studies include philip goldstein on richard wright s native son steve mailloux on reading lolita in tehran and tony bennett on the cultural analyses of pierre bourdieu the collection concludes with essays by janice radway on the limits of these methods and on the possibility of new forms of sociological and anthropological reception study and by toby miller on the reception deception in relation to the worldwide distribution and reception of movies and television shows

The Study of American Folklore 1984

trieste publishing has a massive catalogue of classic book titles our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time the many thousands of books in our collection have been sourced from libraries and private collections around the world the titles that trieste publishing has chosen to be part of the collection have been scanned to simulate the original our readers see the books the same way that their first readers did decades or a hundred or more years ago books from that period are often spoiled by imperfections that did not exist in the original imperfections could be in the form of blurred text photographs or missing pages it is highly unlikely that this would occur with one of our books our extensive quality control ensures that the readers of trieste publishing s books will be delighted with their purchase our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality this process ensures that the reader of one of trieste publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work we pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers generally trieste books are purchased singly on demand however they may also be purchased in bulk readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

American Studies 1975

there is an ongoing debate as to whether african american studies is a discipline or multidisciplinary or interdisciplinary field some scholars assert that african american studies use a well defined common approach in examining history politics and the family in the same way as scholars in the disciplines of economics sociology and political science other scholars consider african american studies multidisciplinary a field somewhat comparable to the field of education in which scholars employ a variety of disciplinary lenses be they anthropological psychological historical etc to study the african world experience in this model the boundaries between traditional disciplines are accepted and researches in african american studies simply conduct discipline based an analysis of particular topics finally another group of scholars insists that african american studies is interdisciplinary an enterprise that generates distinctive analyses by combining perspectives from d

The American Experience 2002-10-21

an authoritative account of the powerful bonds between generations of african american quiltmakers

The Futures of American Studies 1979

The End of American Innocence 2020-11-12

excerpt from the study of politics the present state of american political science this essay is addressed to graduate students my aim is to tell young men and young women some things it may be good to know about the profession they intend to enter if old timers think they learn something also they are welcome to whatever they pick up if many older members of the profession read this some of them will find confirmation of their own positions they may even encounter some of their own ideas stated in their own words for i have freely utilized what i have heard said over a period of at least three decades i hope of course that i have myself added something to the discussion if i have it is not likely to sound new to men of my own age i have not won any prizes for keeping my thoughts to myself over the years but the young people i have hope will encounter a thing or two here they have not already pondered about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

An Unfamiliar America 1896

stephen c ferguson ii provides a philosophical examination of black popular culture for the first time from extensive discussion of the philosophy and political economy of hip hop music through to a developed exploration of the influence of the postmodernism poststructuralist ideology on african american studies he argues how postmodernism ideology plays a seminal role in justifying the relationship between corporate capitalism and black popular culture chapters cover topics such as cultural populism capitalism and black liberation the philosophy of hip hop music and harold cruse s influence on the cultural turn in african american studies ferguson combines case studies of past and contemporary black cultural and intellectual productions with a marxist ideological critique to provide a cutting edge reflection on the economic structure in which black popular culture emerged he highlights the contradictions that are central to the juxtaposition of black cultural artists as political participants in socioeconomic struggle and the political participants who perform the rigorous task of social criticism adopting capitalism as an explanatory framework ferguson investigates the relationship between postmodernism as social theory current manifestations of black popular culture and the theoretical work of black thinkers and scholars to demonstrate how african american studies have been shaped
