over 2 900 total pages 1 scope this rpstl lists and authorizes spares and repair parts special tools special test measurement and diagnostic equipment tmde and other special support equipment required for performance of aviation unit and aviation intermediate maintenance of the ah 64a advanced attack helicopter it authorizes the requisitioning issue and disposition of spares repair parts and special tools as indicated by the source maintenance and recoverability smr codes 2 general in addition to section i introduction this repair parts and special tools list is divided into the following sections a section ii repair parts list a list of spares and repair parts authorized by this rpstl for use in the performance of maintenance the list also includes parts which must be removed for replacement of the authorized parts parts lists are composed of functional groups in ascending alphanumeric sequence with the parts in each group listed in ascending figure and item number sequence bulk materials are listed in item name sequence b section iii special tools list a list of special tools special tmde and other special support equipment authorized by this rpstl as indicated by basis of issue boi information in description and usable on code uoc column for the purpose of maintenance c section iv cross reference indexes a list in national item identification number niin sequence of all national stock numbers nsn appearing in the listing followed by a list in alphanumeric sequence of all part numbers appearing in the listings national stock numbers and part numbers are cross referenced to each illustration figure and item number appearance the figure and item number index lists figure and item numbers in alphanumeric sequence and cross references nsn fscm cage and part
