Every Landlord's Legal Guide 2008 whether you are renting a house or flat from a landlord or letting agent or if you are a lodger in someone else s home being a tenant can be fraught with difficulty even finding a decent place to rent can be very hard and even getting decent information tips and advice is difficult in tenants guide to successful renting private rented sector expert david lawrenson of tenants renting guide com shows you how to find the right place prepare properly so you have letting agents and

landlords jumping over each other to let to you ask the right questions of landlords and letting agents so you can figure out which ones will treat you well and look after your new home properly lawrenson explains in simple language what your rights are how to enforce them and the law pertaining to tenants and renting tenants guide to successful renting covers everything you need to know about tenancy deposit schemes tenant referencing houses in multiple occupation giving notice re possession actions and much more the book even has special sections for tenants looking for shared houses and for those on housing benefit universal credit a landlord himself david lawrenson is a private rented sector expert and advisor at tenants renting guide com he has advised the government charities and businesses as well as individual landlords and tenants on renting and letting in the private rent sector more about david lawrenson david lawrenson s book tenants guide to successful renting is a modern guide to help tenants in the private rented sector the private rented sector has grown fast to around 18 per cent of all housing more people now live in privately rented houses and flats than in social and council housing many people don t have a choice but to be tenants of private landlords most like it but find it hard to get the rented home they want some suffer at the hands of incompetent landlords and letting agents lawrenson s new book is designed to help tenants lawrenson is an acknowledged expert on letting and renting he has advised local government charities and businesses as well as individual landlords and tenants as a landlord himself for over thirty years he knows all about how private renting really works his first book successful property letting came out in 2005 and has been the uk s highest selling property book ever since having sold 80 000 copies regularly updated and revised it is now in its fifth edition and is the bible for all ethical landlords lawrenson is deeply frustrated with what he sees as the often piecemeal and confused approach to the private rented sector from central and local government he cites landlord licensing as a good example of how not to deal with rogue landlords he also says cutting housing benefits is misguided because it leads directly to people with few housing options being shut out of private housing and therefore having to be housed in unsuitable and expensive b b type accommodation in the absence of any really useful help from government he thought it was time to write a practical book that

would help tenants get what they want a nice home well looked after by a decent landlord he hopes his book will make the process of renting easier and help tenants to avoid the bad and incompetent landlord and letting agent if it helps to do just that i ll be happy he says david s website for landlords is lettingfocus com his new site for tenants is tenants renting guide com david lives in kent with his wife and son he likes indie music playing football and tennis a nice glass of beer or wine travel and enjoying life *Every Tenant's Legal Guide 2012* blatant tenant hostility towards landlords widespread neglect and wholesale abandonment of properties and a critical shortage of housing accommodations for low and moderate income tenants for all symptoms in professor rose s view of the current legal relationship between landlords and tenantsâ an unworkable anachronism dangerously maladjusted to social economic and political realities this book describes in detail the patterns by which myriad inequities have been woven into the law and suggests some remedies it provides in plain language a comprehensive and up to date manual of the rights and liabilities of landlords and tenants a basic reference work for anyone concerned with landlord tenant relations
