Cambridge Skills for Fluency is a learner-centred range of materials designed specifically to develop students' fluency and confidence in listening, speaking, reading and writing. The books are at four levels from pre-intermediate through to advanced and are suitable for use as supplementary texts or as core texts on skills development courses. Each book in the Cambridge Skills for Fluency series promotes fluency by presenting a wide variety of both old and new topics in creative and imaginative ways. Genuinely engages students' interest and encourages them to share personal reactions and opinions. Fluently focuses on a particular skill but the other skills are integrated in a way that reflects real-life use of language. Contains twenty units designed to take about an hour of class time, a detailed contents map and brief teaching notes.
