With Christ in the School of Prayer 2016-08-09 the disciples had been with christ and seen him pray they had learnt to understand something of the connection between his wondrous life in public and his secret life of prayer they had learnt to believe in him as a master in the art of prayer none could pray like him and so they came to him with the request lord teach us to pray and in after years they would have told us that there were few things more wonderful or blessed that he taught them than his lessons on prayer and now still it comes to pass as he is praying in a certain place that disciples who see him thus engaged feel the need of repeating the same request lord teach us to pray as we grow in the christian life the thought and the faith of the beloved master in his never failing intercession becomes ever more precious and the hope of being like christ in his intercession gains an attractiveness before unknown and as we see him pray and remember that there is none who can pray like him and none who can teach like him we feel the petition of the disciples lord teach us to pray is just what we need and as we think how all he is and has how he himself is our very own how he is himself our life we feel assured that we have but to ask and he will be delighted to take us up into closer fellowship with himself and teach us to pray even as he prays
