this book is intended to be used as a textbook for a first course in fluid mechanics it stresses on principles and takes the students through the various development in theory and applications a number of exercises are given at the end of each chapter all of which have been successfully class tested by the authors it will be ideally suited for students taking an undergraduate degree in engineering in all universities in india gandhi ji had achieved dexterity in all virtues of management on the basis of his study and experiences every thing and thought given by gandhi ji is an indication of this fact be that message dress life style way of conversation or the answers to the burning questions in society management guru is clearly visible in every talk and act of gandhi ji he achieved every goal that he set before himself achieving the decided goals without obstacles is management skill in this book the policies of gandhi ji have been explained in the contemporary context it is a wonderful book that can give a new pinnacle and success to your industry service and every field of your life praveen shukla is a notable and much sought after author and poet of the present era eight books written by his mighty pen have been published till date he has been awarded in india and abroad he has participated in various literary programmes and seminars that were organized in bangkok muscat the united arab emirates bhutan and various cities of the united kingdom he has been honoured by the presidents mrs pratibha devisingh patil and dr apj abdul kalam as well as hundreds of organizations and politicians keeping in view his invaluable contribution to the realm of writing nearly two dozen organizations have awarded him one such award is kavya gaurav samman which is a prestigious award and also carries prize money of rs one lakh praveen shukla s fans are dotted around the world all people ranging from the common man to the gentry of all places want to listen to him in the presented book he has presented the management finesse of gandhi ji by using his own deep research and experience fluid mechanics and hydraulic machines is designed for the course on fluid mechanics and hydraulic machines offered to the undergraduate students of mechanical and civil engineering written in a lucid style the book lays emphasis on explaining the logic and physics of critical problems to develop analytical skills in the reader this book presents a thorough and comprehensive treatment of both the basic as well as the more advanced concepts in fluid mechanics the entire range

of topics comprising fluid mechanics has been systematically organised and the various concepts are clearly explained with the help of several solved examples apart from the fundamental concepts the book also explains fluid dynamics flow measurement turbulent and open channel flows and dimensional and model analysis boundary layer flows and compressible fluid flows have been suitably highlighted turbines pumps and other hydraulic systems including circuits valves motors and ram have also been explained the book provides 225 fully worked out examples and more than 1600 questions including numerical problems and objective questions the book would serve as an exhaustive text for both undergraduate and post graduate students of mechanical civil and chemical engineering amie and competitive examination candidates as well as practising engineers would also find this book very useful are digital means of communication better than traditional bhaashans and processions will a social media revolution coerce armchair opinion makers to head to poll booths twitter facebook and linkedin are changing the way the denizens of the world and more specifically youth of this country communicate and connect in the big connect shaili chopra traces the advent of social media in india and how politics and lobbying has now shifted to the virtual floor she argues that though a post a pin or a tweet may not translate into a vote it can definitely influence it with comparisons to the obama campaign of 2008 and 2012 and analysis of the social media campaigns of political bigwigs like narendra modi rahul gandhi and arvind kejriwal the book discusses the role of a digital community in indian politics 3g 10 2022 2028 3 13 nhk

scholarly controversies of the early twentieth century the orient or rome debate turned on whether art historians should trace the origin of all western and especially gothic architecture to roman ingenuity or to the indo germanic geist focusing on the discourses

around this debate talinn grigor considers the persian revival movement in light of imperial strategies of power and identity in british india and in qajar pahlavi iran the persian revival examines europe s discovery of ancient iran first in literature and then in art history tracing western visual discourse about ancient iran from 1699 on grigor parses the invention and use of a revivalist architectural style from the afsharid and zand successors to the safavid throne and the rise of the parsi industrialists as cosmopolitan subjects of british india drawing on a wide range of persian revival narratives bound to architectural history grigor foregrounds the complexities and magnitude of artistic appropriations of western art history in order to grapple with colonial ambivalence and imperial aspirations she argues that while western imperialism was instrumental in shaping high art as mercantile bourgeois ethos it was also a project that destabilized the hegemony of a eurocentric historiography of taste an important reconsideration of the persian revival this book will be of vital interest to art and architectural historians and intellectual historians particularly those working in the areas of international modernism iranian studies and historiography this is a novel conceptualized with the aim of putting a good read in the hands of a discriminating reader with its multiple characters and varied incidents it revolves around ambitious persons in pursuit of treasures at the peak of green mountain the tough trekking and difficult terrain allows creation of interesting incidents green mountain belongs to the imaginary range of mountains to the south of himalayas the story is about the legend of treasures atop that mountain the stage of the drama in the novel is green mountain for most part and later mumbai in the second part as the peak of the mountain was repository of treasures people from everywhere wished to reach that place in haste to own those riches aspirant people ranging from ascetics to burglars trek up the mountain their interaction stage by stage unfolds the story the future of fiction is neither global nor national instead matthew hart argues it is trending extraterritorial extraterritorial spaces fall outside of national borders but enhance state power they cut across geography and history but do not point the way to a borderless new world they range from the united nations headquarters and international waters to cia black sites and the departure zones at international airports the political geography of the present hart shows has come to resemble a patchwork of such spaces hart reveals extraterritoriality s centrality to twenty first century art and fiction he shows how extraterritorial fictions expose the way states construct global space in their own interests extraterritorial novels teach us not to mistake cracks or gradations in political geography for a crisis of the state hart demonstrates how the unstable character of many twenty first century aesthetic

forms can be traced to the increasingly extraterritorial nature of contemporary political geography discussing writers such as margaret atwood j g ballard amitav ghosh chang rae lee hiliary mantel and china miéville as well as artists like hito steyerl and mark wallinger hart combines lively critical readings of contemporary novels with historical and theoretical discussions about sovereignty globalization cosmopolitanism and postcolonialism extraterritorial presents a new theory of literature that explains what happens when dreams of an open connected world confront the reality of mobile elastic and tenacious borders comprising 60 3 percent of the world s 7 2 billion population asia is an enigma to many in the west hugely dynamic in its demographic economic technological and financial development its changes are as rapid as they are diverse the sage handbook of asian foreign policy provides the reader with a clear balanced and comprehensive overview on asia s foreign policy and accompanying theoretical trends placing the diverse and dynamic substance of asia s international relations first and bringing together an authoritative assembly of contributors from across the world this is a reliable introduction to non western intellectual traditions in asia volume 1 part 1 theories part 2 themes part 3 transnational politics part 4 domestic politics part 5 transnational economics volume 2 part 6 foreign policies of asian states part 6a east asia part 6b southeast asia part 6c south central asia part 7 offshore actors part 8 bilateral issues part 9 comparison of asian sub regions this reference work offers comprehensive perspectives on servant leadership featuring a cadre of leading world class scholars practitioners and contributing authors from diverse fields of inquiry it aims to collate research on servant leadership with a particular focus on its moral and spiritual dimensions it is divided into sections that center on topics such as character philosophical influences diversity and inclusion critiques of servant leadership as well as examples of servant leaders though first introduced in the 1970 by robert greenleaf the field of servant leadership is still lacking consensus on a definition and a theoretical framework the goal of this reference work is to begin to fill this gap by assembling the scholarship of the top scholars in this field and providing a go to source for information on the theory and practice of servant leadership this handbook will serve as an essential resource for researchers scholars and students of organizational behavior human resource management and business ethics as well as consultants and business leaders interested in discovering the best leadership models to suit contemporary organizations the most authentic source of information on higher education in india the handbook of universities deemed universities colleges private universities and prominent educational research institutions provides much needed

information on degree and diploma awarding universities and institutions of national importance that impart general technical and professional education in india although another directory of similar nature is available in the market the distinct feature of the present handbook that makes it one of its kind is that it also includes entries and details of the private universities functioning across the country in this handbook the universities have been listed in an alphabetical order this facilitates easy location of their names in addition to the brief history of these universities the present handbook provides the names of their vice chancellor professors and readers as well as their faculties and departments it also acquaints the readers with the various courses of studies offered by each university it is hoped that the handbook in its present form will prove immensely helpful to the aspiring students in choosing the best educational institution for their career enhancement in addition it will also prove very useful for the publishers in mailing their publicity materials even the suppliers of equipment and services required by these educational institutions will find it highly valuable a riveting account of how a popularly elected leader has steered the world s largest democracy toward authoritarianism and intolerance over the past two decades thanks to narendra modi hindu nationalism has been coupled with a form of national populism that has ensured its success at the polls first in gujarat and then in india at large modi managed to seduce a substantial number of citizens by promising them development and polarizing the electorate along ethno religious lines both facets of this national populism found expression in a highly personalized political style as modi related directly to the voters through all kinds of channels of communication in order to saturate the public space drawing on original interviews conducted across india christophe jaffrelot shows how modi s government has moved india toward a new form of democracy an ethnic democracy that equates the majoritarian community with the nation and relegates muslims and christians to second class citizens who are harassed by vigilante groups he discusses how the promotion of hindu nationalism has resulted in attacks against secularists intellectuals universities and ngos jaffrelot explains how the political system of india has acquired authoritarian features for other reasons too eager to govern not only in new delhi but also in the states the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances including india s supreme court modi s india is a sobering account of how a once vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities study of the importance of varanasi as a centre for hindu pilgrimage and

the traditional priestcraft of the place the third revised and enlarged edition of the directory of libraries in india contains much larger number of addresses of libraries in india special chapters have been added on addresses of institutions offering courses on important subjects like management medicine and nursing engineering and technology architecture law sports etc it is hoped that the directory in its present form would be found highly useful by publishers and booksellers in mailing their publicity material the directory would also be useful to librarians and others concerned with educational institutions and organisations for getting information about libraries in india what is the distinctive zoroastrian experience and what is the common diasporic experience the zoroastrian diaspora is the outcome of twenty years of research and of archival and fieldwork in eleven countries involving approximately 250 000 miles of travel it has also involved a survey questionnaire in eight countries yielding over 1 840 responses this is the first book to attempt a global comparison of diaspora groups in six continents little has been written about zoroastrian communities as far apart as china east africa europe america and australia or on parsis in mumbai post independence each chapter is based on unused original sources ranging from nineteenth century archives to contemporary newsletters the book also includes studies of zoroastrians on the internet audio visual resources and the modern development of parsi novels in english as well as studying the zoroastrians for their own inherent importance this book contextualizes the zoroastrian migrations within contemporary debates on diaspora studies john r hinnells examines what it is like to be a religious asian in los angeles or london sydney or hong kong moreover he explores not only how experience differs from one country to another but also the differences between cities in the same country for example chicago and houston the survey data is used firstly to consider the distinguishing demographic features of the zoroastrian communities in various countries and secondly to analyse different patterns of assimilation between different groups men and women and according to the level and type of education comparisons are also drawn between people from rural and urban backgrounds and between generations in religious beliefs and practices including the preservation of secular culture this is the first ever comprehensive english language survey of zoroastrianism one of the oldest living religions evenly divided into five thematic sections beginning with an introduction to zoroaster zarathustra and concluding with the intersections of zoroastrianism and other religions reflects the global nature of zoroastrian studies with contributions from 34 international authorities from 10 countries presents zoroastrianism as a cluster of dynamic historical and contextualized phenomena

reflecting the current trend to move away from textual essentialism in the study of religion the book african studies centres around the world a network based inventory compiles a selection of contributions by the directors of eleven african studies centres from four continents they comprise africa s oldest centre on the continent at the university of cape town the european centres in bordeaux lisbon and hradec králové and the two north american universities of florida and indiana central and south america s contributions to african studies is represented by the centres in san josé costa rica santiago de cuba and salvador da bahia brazil the asian centres are located at jawaharlal university in mumbai india and at hankuk university of foreign studies in seoul south korea the eleven chapters show the very diverse history of the centres explaining their different structures underpinning the need for more exchange and collaborative research the volume presents some aspects of the ongoing critical reflections on the historical and political development of african studies in various parts of the world disseminating first hand knowledge while the chapters encourage to open the exchange and collaboration across regional disciplinary and academic boundaries with contributions from akintunde akinyemi carlos almeida aparajita biswas rina caceres yongkyu chang marta e cordies jackson ute fendler john h hanson doris löhr lungisile ntsebeza livio sansone jose da silva horta petr skalnik celine thriot contributed articles on various aspects of krishna hindu deity

Principles Of Fluid Mechanics And Fluid Machines (second Edition) 2006

this book is intended to be used as a textbook for a first course in fluid mechanics it stresses on principles and takes the students through the various development in theory and applications a number of exercises are given at the end of each chapter all of which have been successfully class tested by the authors it will be ideally suited for students taking an undergraduate degree in engineering in all universities in india

Namo Mantra of Narendra Modi 2014-03-26

gandhi ji had achieved dexterity in all virtues of management on the basis of his study and experiences every thing and thought given by gandhi ji is an indication of this fact be that message dress life style way of conversation or the answers to the burning questions in society management guru is clearly visible in every talk and act of gandhi ji he achieved every goal that he set before himself achieving the decided goals without obstacles is management skill in this book the policies of gandhi ji have been explained in the contemporary context it is a wonderful book that can give a new pinnacle and success to your industry service and every field of your life praveen shukla is a notable and much sought after author and poet of the present era eight books written by his mighty pen have been published till date he has been awarded in india and abroad he has participated in various literary programmes and seminars that were organized in bangkok muscat the united arab emirates bhutan and various cities of the united kingdom he has been honoured by the presidents mrs pratibha devisingh patil and dr apj abdul kalam as well as hundreds of organizations and politicians keeping in view his invaluable contribution to the realm of writing nearly two dozen organizations have awarded him one such award is kavya gaurav samman which is a prestigious award and also carries prize money of rs one lakh praveen shukla s fans are dotted around the world all people ranging from the common man to the gentry of all places want to listen to him in the presented book he has presented the management finesse of gandhi ji by using his own deep research and experience

Iron and Steel Works of the World 1969

fluid mechanics and hydraulic machines is designed for the course on fluid mechanics and hydraulic machines offered to the undergraduate students of mechanical and civil engineering written in a lucid style the book lays emphasis on explaining the logic and physics of critical problems to develop analytical skills in the reader

Fluid Mechanics and Hydraulic Machines 2006

this book presents a thorough and comprehensive treatment of both the basic as well as the more advanced concepts in fluid mechanics the entire range of topics comprising fluid mechanics has been systematically organised and the various concepts are clearly explained with the help of several solved examples apart from the fundamental concepts the book also explains fluid dynamics flow measurement turbulent and open channel flows and dimensional and model analysis boundary layer flows and compressible fluid flows have been suitably highlighted turbines pumps and other hydraulic systems including circuits valves motors and ram have also been explained the book provides 225 fully worked out examples and more than 1600 questions including numerical problems and objective questions the book would serve as an exhaustive text for both undergraduate and post graduate students of mechanical civil and chemical engineering amie and competitive examination candidates as well as practising engineers would also find this book very useful

Civic Affairs 1961

are digital means of communication better than traditional bhaashans and processions will a social media revolution coerce armchair opinion makers to head to poll booths twitter facebook and linkedin are changing the way the denizens of the world and more specifically youth of this country communicate and connect in the big connect shaili chopra traces the advent of social media in

india and how politics and lobbying has now shifted to the virtual floor she argues that though a post a pin or a tweet may not translate into a vote it can definitely influence it with comparisons to the obama campaign of 2008 and 2012 and analysis of the social media campaigns of political bigwigs like narendra modi rahul gandhi and arvind kejriwal the book discusses the role of a digital community in indian politics
