National Historic Trails Auto Tour Route Interpretive Guide, Utah--Crossroads of the West, September 2010 2010

includes original text of the occupational safety and health act of 1970

Interpretive Guidelines for the Application of the Regulations for Institutions for Mentally

Retarded Or Persons with Related Conditions 45CFR249.13 1977

this text provides guidance on the interpretation of international humanitarian law relating to the notion of direct participation in hostilities it seeks to facilitate the distinctions of armed forces of parties to an armed conflict whether international or non international from civilians and that civilians who never take part in hostilities be distinguished from those who do so on an individual sporadic or unorganized basis only by doing so it examines three questions who is considered a civilian for the purposes of the principle of distinction what conduct amounts to direct participation in hostilities and what modalities govern the loss of protection against direct attack
