Autocar & Motor 1993 a washington post most anticipated book of the year for readers of my dark places and the fact of a body a beautiful brutal memoir documenting one woman s search for identity alongside her family s decades long quest to identify the two men who abducted and murdered her mother kristine s ervin was just eight years old when her mother kathy sue engle was abducted from an oklahoma mall parking lot and violently murdered in an oil field first there was grief then the desire to know what happened to her what she felt in her last terrible moments and all she was before these acts of violence defined her life in her mother s absence ervin tries to reconstruct a woman she can never fully grasp from her own memory from letters she uncovers and from the stories of other family members as more information about her mother s death comes to light ervin s drive to know her mother only intensifies winding into her own fraught adolescence she reckons with contradictions of what a woman is allowed to be a self beyond the roles of wife mother daughter victim what a true

victim is supposed to look like and finally how complicated and elusive justice can be told fearlessly and poetically rabbit heart weaves together themes of power gender and justice into a manifesto of grief and reclamation our stories do not need to be simple to be true and there is power in the telling

Autocar 1997 one of business week s top books this work examines how the distortion of information by the media politicians academics and business curtails the public s access to the truth crossen shows how the desire for profits for influence or for increased funding has created an information industry that has only a glancing relationship with objective truth

Subject Guide to Children's Books in Print 1997 1996-09 criminal investigators need broad knowledge of such topics as criminal law criminal procedure and investigative techniques the best resource for these professionals will distill the needed information into one practical volume written in an accessible style the fourth edition of criminal investigation maintains the

same reader friendly approach that made its predecessors so popular with students professionals and practitioners beginning with an overview of the history of criminal investigation the book explores current investigative practices and the legal issues that constrain or guide them it discusses the wide range of sources of information available including the internet individuals state and local sources and federal agencies and commissions next the book discusses other investigative techniques including interviewing and interrogation informants surveillance and undercover operations a chapter on report writing provides explicit instructions on how to capture the most critical information needed in an investigation additional chapters cover the crime scene investigation and the crime laboratory the remainder of the book delves into the specific investigative protocols for individual crimes including sex offenses homicide mass and serial murder assault and robbery property crimes cybercrime and narcotics concluding chapters focus on the police prosecutor relationship and

investigative trends each chapter includes a summary a list of key terms and review questions so that readers can test their assimilation of the material clear and concise this book is an essential resource for every criminal investigator s toolbox
