historically border collies are known as a working dog breed due to this very fact there are certain dog behaviors and instincts particular to border collies only these behaviors and instincts define the personality of the dog understanding these behaviors and instincts is imperative if you desire a well trained behaved dog this book is based on years of experience and thorough research helping you to choose raise train and live in harmony with your border collie this book has been written by truly taking into consideration the breed as well as its abilities as this aspect is often ignored by owners of this dog the content of this book will provide you with an insight of how a border collie relates and interacts with its owner and the outside world once you ve read this book you ll be better equipped to own and take care of a border collie so that it becomes the wonderful companion it s meant to be

Training the Sheep Dog

2003

if you ve ever seen a dog in a television commercial there s a pretty good chance it was a border collie or if you ve watched herding competitions you ve probably seen a border collie controlling the herd first

and foremost border collies are sheep herders but when they're not on the clock they can make excellent companions they're energetic playful and extremely intelligent they're also sensitive affectionate and adorable even though this breed is still vital to livestock owners we will focus on the border collie as a pet in this book intelligence is perhaps the most prominent trait of the border collie in the pasture this dog can understand specific commands and respond accordingly they also excel at obedience competitions and agility runs because they can pick up new skills quickly and respond to challenging commands this book will give you the information you need to jump start your ownership journey including border collie history choosing a border collie preparing your home for your border collie bringing home your border collie being a puppy parent housetraining socializing with people and animals border collies and your other pets physical and mental exercise training your border collie basic commands dealing with unwanted behaviors traveling with border collies nutrition grooming your border collie basic health care advanced border collie health and aging dog care this book will become your go to guide throughout your border collie's life as it has helpful hints and reminders that will prove to be practical far into their adulthood border collies are an absolute joy to have as pets these dogs are beautiful intelligent and silly they love to test their owners and call the shots but at the end of the day they're capable of following orders you'll never find another dog quite like them as they're capable of running around one minute and snuggling up beside you the next all your border collie wants is a purpose while they may drive you nuts when they're bored it's amazing to watch them work whether your border collie's job is to tend livestock chase the rabbits and birds from your garden or just be a loving companion you'll find that your border collie will do anything for the love and affection with which you pay them
